The Kingdom of God

Jesus asked, "What is God's kingdom like? To what can I compare it? It's like a mustard seed that someone took and planted in a garden. It grew and developed into a tree and the birds in the sky nested in its branches." Luke 13:18-19

How often do we come to a standstill because we feel overwhelmed? We want to make a difference but need help with where to begin. It is easy to overlook the next step because the opportunity seems too small. Seeing how a tiny step can impact the larger picture is hard. We sit in the darkness, lost in the messy middle, wondering if the breakthrough is coming or if we have missed it.

In the parable of the mustard seed, Jesus teaches that we need only the smallest amount of faith, the size of a mustard seed, to step into where God is calling. God takes things that make us feel small and uses them for larger, extraordinary things. When we show up and serve in obedience, God grows our faith.

Once the land is cultivated and the soil is ready for sowing, and the smallest seed, a mustard seed, is planted. Picture this mustard seed, which measures about two millimeters in length and is among the smallest seeds in the world. Water interacts with a seed, which results in germination. Each seed sprouts on its own time; without proper care, the seedling will fade away. But with good care, the miracle of new life springs forth and grows upward. The seedling begins to break through the ground, out of darkness and into the light.

Cynthia Occelli, author and blogger, said, "For a seed to achieve its greater expression, it must come completely undone. The shell cracks, its insides come out, and everything changes. To someone who doesn't understand growth, it would look like complete destruction." 1

The growth from a mustard seed to a mature plant is not destruction. It is transformation. We may feel as though we are being destroyed when the insides come out, stripped to our inner core, not knowing what is next. Is our next step one into complete destruction or growth? It can be tough to muster encouraging words when we feel unseen, unheard, and unnoticed. No matter what we face, we can choose to act on the small, mustard-seed-like opportunities which can produce Kingdom growth.

When a mustard plant is mature, it resembles an evergreen tree with heights up to thirty feet and widths to match. Amazingly, a mustard tree can reach maturity in about three months. What begins as a seed the size of two millimeters becomes a twenty to thirty-foot tree in a short amount of time.

Jesus compared the Kingdom of God to a mustard seed, not because the seed is literally the smallest in the world. Instead, he used the rapid growth of the plant and its ultimate size in comparison to the tiny seed as an illustration of the dynamics of faith. "The apostles said to the Lord, "Increase our faith!" The Lord replied, "If you had faith the size of a mustard seed, you could say to this mulberry tree, 'Be uprooted and planted in the sea,' and it would obey you." - Luke 17:5-6

God can do similar things with the smallest amount of faith on our part. The struggles and grief of the hard seasons are the catalysts we need to move into something greater! God invites us to grow in faith. As we grow in faith, we will be able to see what God is doing around us. We will experience God's big invitation disguised as small or insignificant opportunities. As we grow in faith, we show up, listen, and lean in. We are better equipped to serve others as disciples of Jesus Christ for the transformation of the world through faith.

2023 Daily Journal

At 10:00 a.m. June 1, 2023, Bishop James G. Nunn called the 114th session of the Northwest Texas Annual Conference into session.

Bishop then recognized the Rev. Don Boren, Director of Connectional Ministry, to introduce the Cabinet, Cabinet spouses, and the Bishop's assistant, Diane Lippitt.

Following introductions, Bishop Nunn recognized Conference Secretary Rev. Jeff Fisher, who brought enabling motions for the Annual Conference.

Rev. Fisher called the Roll of the Conference, which consisted of registered members, both clergy and laity, who were confirmed to be in attendance at the Clerk's table on June 1, 2023. The Roll also included representatives of the Northwest Texas Conference Wesley Community Groups who were selected to fill vacancies as required by the equalization rules of the Book of Discipline.

Rev. Fisher then brought motions to set the Bar of the Conference, establish rules for debate, elect Annual Conference officials, and set the agenda of the Annual Conference.

Upon a motion by Rev. Fisher and a call for a vote by the Bishop, the enabling motion passed.

Rev. Fisher then brought a motion to suspend the rules of the Conference for both 2023 and 2024 to allow the Annual Conference to conduct business expediently in light of the unusual circumstances created by disaffiliation, which made Conference rules untenable.

Upon a motion by Rev. Fisher and a call for a vote by the Bishop, the rules of the Conference were suspended for 2023 and 2024.

Bishop Nunn then recognized Rev. Jeff Fisher as the President of the Northwest Texas Conference Board of Trustees to bring a Resolution for Disaffiliation for FUMC Quanah, Vernon Faith UMC, FUMC Clarendon, FUMC Pampa, Polk Street UMC, FUMC Stratford, Trinity UMC, FUMC Whitedeer, FUMC Levelland, FUMC Morton, FUMC Shallowater, FUMC Denver City.

Following the lunch break, Bishop Nunn reconvened the Annual Conference at 1:00 p.m. and called for Clergy Vote 1 to fill the vacancy for delegate to General Conference and Jurisdictional Conference and to fill a provisional vacancy for alternate to General Conference and delegate to Jurisdictional Conference. At the time of voting, the rules for filling vacancies appeared to exclude any alternate positions for General Conference but was expected to be challenged prior to General Conference. The provisional election was in anticipation of a change in the seating rules. No one was elected on the first ballot.

Bishop Nunn then called for Laity Vote 1 to fill one provisional vacancy for alternate to General Conference and delegate to Jurisdictional Conference. No one was elected on the first ballot.

Bishop Nunn took privilege to recount his appreciation to Northwest Texas and stressed that he would remain in The United Methodist Church.

Ministry Reports

Jesus asked, "What is God's kingdom like? To what can I compare it? It's like a mustard seed that someone took and planted in a garden. It grew and developed into a tree and the birds in the sky nested in its branches."

AFRICA UNIVERSITY
Submitted by James H. Salley

United Methodists worldwide celebrated an 'Ebenezer' moment in the ministry of Africa University in 2022, marking 30 years of faithfulness, generosity, growth, and impact within and beyond The United Methodist Church.

Africa University thanks the Northwest Texas Conference for maintaining its investment. Local congregations graciously provided 86.35 percent of the conference's share of general church giving to support the day-to-day operations of Africa University. At 83.7 percent overall in 2022, giving to the Africa University Fund (AUF) remained resilient in all five jurisdictions in the United States.

Supported by strong missional engagement by Northwest Texas United Methodists and church members across the denomination, Africa University embraced new opportunities as it emerged from pandemic-related restrictions in 2022.

- Enrollment: Africa University achieved a total enrollment at 2,791 students in August 2022. Female students comprised 58 percent of the student population and 23 African nations were represented.
- Academic Growth: Africa University launched its first new academic unit in almost twenty years—The School of Law—with a pioneer cohort of 20 students pursuing the Bachelor of Laws (Honors) (LLBS) degree program. The institution is implementing five new undergraduate and graduate programs approved by the Zimbabwe Council for Higher Education (ZIMCHE), the national accreditation and quality assurance agency.
- Infrastructure expansion: A new residence hall for female students at Africa University is under construction, funded by the East Ohio Conference's $1.5 million Teach * Reach * Bless campaign. Once completed, it will boost the available on campus housing for students to around 1200 beds.
- Outcomes: 712 graduates from 18 African countries became Africa University alumni in June 2022. The university's almost 11,000 graduates to date are making vital contributions as clergy, educators, agriculturalists, health professionals, entrepreneurs and innovators. Faculty and student research efforts to address endemic challenges such as malaria and tuberculosis, food insecurity and climate change are gaining continental attention and international support.

Africa University's year-long 30th anniversary program culminated in October 2022 with a gathering of more than 3,000 people at its main campus in Mutare, Zimbabwe. Amidst the commemoration and joyful thanksgiving livestreamed to the world, the Rev. Dr. Peter Mageto was formally installed as the fifth vice chancellor (president) of the institution.

Mageto, a Kenyan and academician specializing in theological ethics, echoed the gratitude of the students, faculty, staff, trustees, and alumni of Africa University for the incalculable sum of answered prayers that are the Africa University story. His inaugural address highlighted the optimism and commitment to purpose that are the foundation of the university's unfolding vision.

Thank you, Northwest Texas Conference, for nurturing change leaders and building an enduring legacy through the ministry of Africa University. Let us continue to journey together—learning, leading, and serving God, all the time, everywhere.

Board of Pension & Health Benefits Report
Submitted by Natalie Hermes

The Northwest Texas Conference sponsors and facilitates the following health, benefit and pension plans for clergy and lay employees of the Conference:

- Comprehensive Protection Plan
- United Methodist Personal Investment Plan
- Pension plan
- Health plan for Active Clergy – HealthFlex
- Health plan for Retired Clergy – ViaBenefits
- Health plan for Lay Employees - HealthFlex

The brief summary of each plan follows.

Comprehensive Protection Plan:

The Comprehensive Protection Plan (CPP) provides death, long-term disability, and other welfare benefits for eligible clergy of The United Methodist Church and their families. It is an Internal Revenue Code 414(e) "church plan" funded by plan sponsor insurance premiums. Generally, clergy are eligible to participate in CPP if the confer-ence or salary-paying unit sponsors the plan and they are able to satisfy the eligibility requirements which include full-time appointment with plan compensation equal to or greater than 60% of the Denominational Average Compensation (DAC) or the Conference Average Compensation (CAC), whichever is less.

CPP will be funded by direct billing to each church or conference entity with clergy serving at 100% ap-pointments. The billing rate is:

	Percent of Plan Compensation 1
CPP	3%

1. Plan Compensation is the clergyperson's cash compensation (including Equitable Compensa-tion grants) plus housing. If a housing allowance is provided, the actual dollar amount is included in Plan Compensation. If a parsonage is provided, the value of the parsonage is con-sidered to be 25% of the cash compensation.

United Methodist Personal Investment Plan:

The United Methodist Personal Investment Plan (UMPIP) is an Internal Revenue Code section 403(b) de-fined contribution retirement savings plan for clergy and lay employees of The United Methodist Church and affili-ated organizations. Participants may make before-tax, Roth, and/or after-tax contributions through payroll deduc-tions. Participant contributions, various optional plan sponsor contributions, and investment earnings comprise the individual's retirement account balance.

Participants in the CRSP pension plan (see below) can maximize their CRSP-DB contributions by con-tributing at least 1% of their plan compensation (cash salary plus housing component) to their UMPIP account.

Pension Plans:

Clergy Retirement Security Plan (CRSP), effective 1/1/2007 to the present

Here is an overview of how CRSP works:

- CRSP offers a two-component benefit plan design to eligible Clergy effective January 1, 2007—Defined Benefit and Defined Contribution components provide participants – clergy under ap-pointment at 50% or greater - with security and flexibility.
- The Defined Benefit component (CRSP-DB) provides security with a specific lifetime monthly benefit at Retirement, regardless of market conditions or investment performance, for the partici-pant, and for their spouse if married.
- Upon the death of the participant, a surviving spouse is usually entitled to receive 70% of the par-ticipant's CRSP-DB benefit until their death.
- The Defined Contribution component (CRSP-DC) provides flexibility with a defined amount of money that each salary paying unit will contribute to the participant's account monthly. The re-tirement benefit is the accumulated amount of contributions plus earnings (or minus losses) in the participant's account.
- Participants are fully vested in both components of CRSP immediately.
- Participants are not required or permitted to make contributions. However, the participant's CRSP-DC contributions are maximized if the participant makes personal contributions of at least 1% of plan compensation to UMPIP.
- CRSP-DC offers a self-directed investment option. Wespath offers a variety of investment fund options, and all of the investment funds adhere to Wespath's sustainable investment guidelines, directed by the Social Principles of The United Methodist Church as outlined in The Book of Discipline.
- CRSP is designed to provide retirement income. Generally, participants can begin receiving monthly Defined Benefit distribution as early as the participant's retirement date. Early retirement benefits are available after 30 years of service or age 62. Normal retirement is considered to be age 65 and mandatory retirement is age 72.
- CRSP allows participants to withdraw money from their CRSP-DC Account upon retirement, termination of conference relationship or becoming disabled.
- In the event of the participant's death, the CRSP-DC Account is available to the participant's spouse or designated beneficiary.

CRSP will be funded by direct billing to each church or conference entity with clergy serving at 50%+ ap-pointments. The billing rates are:

	Percent of Plan Compensation 1
CRSP Defined Benefit	9%
CRSP Defined Contribution	3%

1.Plan Compensation is the clergyperson's cash compensation (including Equitable Compensa-tion grants) plus housing. If a housing allowance is provided, the actual dollar amount is in-cluded in Plan Compensation. If a parsonage is provided, the value of the parsonage is con-sidered to be 25% of the cash compensation.

Ministerial Pension Plan, effective 1/1/1982 through 12/31/2006
The MPP Plan is a "closed" plan in that no participants are earning additional benefits in this plan. How-ever, future contributions to this plan could be possible if plan assets depreciate or actuarial valuations re-sult in an increase in the liability.

Pre-1982 Plan
If a clergy person who has served in the NWTX Conference in accordance with the plan provisions prior to 1982 retires (and does not terminate), the minimum benefit payable is based on two factors: 1) years of service with pension credit and 2) the Conference Past Service Rate (PSR). Years of service with pension credit are approved by each Conference on the recommendation of the Conference Board of Pensions (CBOP) in accordance with plan provisions and The Book of Discipline. The PSR is the dollar amount chosen by the Conference as the amount payable for each approved year of service with pension credit. The PSR may increase from year to year but never decrease. The number of years of service with pension credit is multiplied by the PSR, and the product is the minimum annual benefit payable to those clergy eligible for Pre-1982 Plan benefits. In certain situations, the benefit received from the Pre-1982 plan may vary based on the applicability of what is referred to as Defined Benefit Service Money (DBSM), which is the defined contribution feature of the Pre-1982 Plan. At the time that a participant retires, the DBSM account is converted to a life-based benefit, and, at that point, the clergy's benefit is the greater of the PSR or DBSM benefit. If the conference increases the PSR, the clergy's benefit is recalculated; but the DBSM based benefit does not change.

Surviving spouses all receive a portion (contingent annuitant percentage) of the clergy-person's Pre-82 pen-sion if the clergy person predeceases the spouse. The contingent annuitant percentage is recommended to remain at the 75% level.

Health Plan for Active Clergy:
The Northwest Texas Conference offers the HealthFlex benefit plan through Wespath– a self-funded plan - to its active eligible participants. Eligibility is limited to full-time (100% appointment) clergy under Episcopal appointment in the Northwest Texas Conference and in extension ministries beyond the local church and Confer-ence.

HealthFlex offers six (6) healthcare plans plus optional vision and dental coverage. Under HealthFlex, each participant receives a Premium Credit (PC) which is used to purchase health care coverage. The PC amount varies depending upon the number of people covered – participant, participant +1, or family.

As noted in the Post-Retirement Medical Benefits portion of this report, clergy who retire prior to age 65 can remain on the "active" health plan until they are 65. Retirees (and their spouses) who remain on the active plan are billed the actual premium costs

less any health reimbursement account benefit to which they may be entitled.

Each salary-paying unit is billed a flat rate for each full-time clergy under appointment.

2024 Participant Premium Credit and Salary-Paying Unit Billing Rates:

Under the health plan, each participant receives a Premium Credit (PC) which is used as a credit toward the cost of various plans offered in the HFE For 2023 and 2024 the monthly PC amounts are:

	Participant	Participant +1	Participant + Family
2023	$1,037	$1,839	$2,541
2024	**$1,128**	**$2,068**	**$2,833**

• Continuation Coverage: When a member of annual conference is no longer in a mandatory category, they can choose to participate in continuation coverage for 12 months.

• Surviving Spouses: A surviving spouse of a participant may continue in the insurance program. The surviving spouse of an active participant will pay 50% of the actual premium rate for the plan chosen. The surviving spouse of a retired participant, who is under the age of 65, will pay the same premium as before the clergy person's death. At age 65, the surviving spouse will be en-rolled in ViaBenefits and receive an HRA contribution based on years of service as calculated at the time of the death of the participant.

Medical Leave:

When members of the Annual Conference are granted medical leave, such member may continue in the in-surance program, provided the Conference Board of Pension and Health Benefits receives written assurance that the current guidelines in the Book of Discipline have been followed, to be received prior to the effective date of the leave. He/She is required to pay ½ of the total premium and the balance will come from the Shared Ministries. If the member does not return to full active service by the end of the twelve (12) month period, he/she will be termi-nated from the plan. If the member applies for social security disability the conference will cover them for up to twenty-four (24) additional months if necessary or until they are old enough to apply for retired status.

Health plan for retired clergy:

The Northwest Texas Conference offers post-retirement medical benefits through ViaBenefits. This is a qualified Medical Health Reimbursement Account (HRA) plan. Each retired participant receives funding into a medical HRA account up to a maximum of $1,800 - $60 for each year of denominational service up to 30 years.

To be eligible to participate in this plan the retiree:

1. Must have retired (pursuant to *The Book of Discipline of The United Methodist Church, 2016,* Par. 357.1 and 2.) from the Northwest Texas Conference **except as noted in 3., below.**

2. For purposes of determining the HRA contribution ($60 per year of denominational service), a clergy per-son is given service credit for years served in another annual conference of The United Methodist Church provided that the clergy person retires from the Northwest Texas Conference.

3. If a clergy person who is a member of the Northwest Texas Conference surrenders his/her credentials pursu-ant withdrawal provisions in *The Book of Discipline (BOD)* and transfers to The Global Methodist Church or to another denomination represented in the Pan-Methodist Commission or to another evangelical de-nomination pursuant to Par. 2548.2 (2016 BOD), then the clergy person is given service credit for his/her service in The United Methodist Church up to the date of withdrawal. If a clergy person later transfers to his or her membership to another UMC Conference that does not provide a post-retirement medical benefit based on denominational years of service, then that person is eligible to receive this benefit from NWTX based only on that person's years of service to the NWTX conference.

4. If a clergyperson who has already retired and started receiving HRA contributions under the Plan surrenders his/her United Methodist Church credentials, the clergypersonwill not lose eligibility for future HRA con-tributions.

5. Must be eligible for Medicare Parts A & B due to age (at least age 65) or a Medicare eligible participant on Social Security Disability

6. Must enroll (and remain enrolled) in a Medicare plan with ViaBenefits.

7. If the retiree's policy through ViaBenefits is cancelled for any reason, or is in arrears on premium, s/he los-es HRA eligibility.

Retirees and spouses who are under age 65 and not Medicare-eligible, may remain on the "active" health insurance plan until they reach Medicare eligibility. Each retiree and or spouse will be eligible for the HRA accord-ing to the following schedule and age brackets:

- Under age 62: retired participant may remain on the active plan and pay 100% of the premium (see below) and the conference pays 0%.

- Age 62 to 65: retired participant may remain on the active plan and pay the difference between the active premium and the HRA funding set for retirees based on years of service in any United Methodist confer-ence at the time of retirement. The rate for the spouse under age 65 of a retired clergy shall be the actual premium cost of the plan chosen in the HealthFlex Exchange (see below), reduced by the monthly amount of the HRA, based on the clergyperson's years of service (see HRA contribution provisions above).

- The "active plan" will be whatever plan is adopted by the Annual Conference.

If a retired participant is appointed to serve a local church as full-time retired supply, and therefore falls un-der the mandatory participation rule in our active insurance plan, the retiree will not be required to enroll through ViaBenefits during such appointment. However, if the retired participant is already enrolled in Medicare and has a Medicare Supplement/Advantage Plan through ViaBenefits, they will not be required to terminate their Medicare and Medicare Supplement/Advantage coverage.

If, at the time of retirement, the member has other group insurance coverage, s/he may opt out of the con-ference health insurance plan and retain the right to rejoin the plan whenever they lose the other coverage. This is a one-time option at the time of retirement, only.

If, after enrolling in ViaBenefits a retiree and/or spouse wishes to opt out of the ViaBenefits plan, they must request withdrawal in writing by the 15th of the month prior to the date of termination. **PLEASE REALIZE that person who chooses to opt out of the Plan will not be able to re-enroll in the Retired Clergy Medical Benefits Program at a later date.**

The Conference Board of Pension and Health Benefits of Northwest Texas Conference believe this post-retirement medical plan (ViaBenefits) is an extremely valuable benefit and intends to do everything possible to con-tinue to offer this benefit in these changing and challenging times. However, please be aware that HRA contribu-tions and benefits are not vested, which means that they are not guaranteed to continue and there is no contractual right to receive HRA contributions or benefits. The Northwest Texas Conference reserves the right to stop or de-crease contributions to or benefits from an HRA at any time. Furthermore, the Northwest Texas Conference reserves the right to amend, modify, or terminate the polices described in this document in any manner, for any reason per-mitted by law, at any time and without prior notification.

Appeals of Denied HRA Claims:

If a Claim is denied by Via Benefits, the Claimant may submit a written appeal to the Northwest Texas Conference, attn: Conference Benefits Officer, requesting a review of the decision. The written appeal must be sub-mitted to NWTX CBO, 1401 Avenue M, Lubbock, TX 79401 within 60 days of the Claimant receiving the initial Claim denial. The written appeal should clearly state the reason or reasons why the Claimant disagrees with Via Benefits' decision. The Claimant may submit written comments, documents, records and other information relating to the Claim even if such information was not submitted in connection with the initial Claim for eligibility. Addi-tionally, upon request and free of charge, the Claimant may have reasonable access and

copies of all Plan documents, records and other information relevant to the Claim.

The Northwest Texas Conference will generally decide an appeal within 45 days. If special circumstances require an extension of time for reviewing the Claim, the Claimant will be notified in writing. The notice will be provided prior to the commencement of the extension, describe the special circumstances requiring the extension and set forth the date the Plan Administrator will decide the appeal, which date will be no later than 60 days from the end of the first 45-day period. If the Claim on appeal is denied in whole or in part, the Claimant will receive a writ-ten notification of the denial. The notice will include the specific reason(s) for the denial.

Health Plan for Lay Employees

Eligibility
The following are eligible for the Conference health insurance program:

a. Full-time Lay Employees (including lay speakers and consecrated diaconal ministers) of churches which sign a sub-adoption agreement.

b. Full-time Lay Employees on the Conference Staff.

Conditions for Eligibility:

- Employed for 30 or more hours per week.
- The salary-paying unit must offer the Conference Insurance Program to all full-time employees
- 75% of all persons eligible to participate must participate. Each salary-paying unit is a separate group and will have its plan reviewed for lay coverage as permitted by state law.
- The salary-paying unit must offer a premium credit (PC) equal to at least ½ of the most expensive plan offered (or larger percentage as required by law) on a uniform non-discriminatory basis with the employee or staff person responsible for payment of the balance.

Coverage is offered through the Northwest Texas Conference group health plan. The local church or other Conference entity must adopt the group health insurance plan as a plan sponsor. The Northwest Texas Conference will bill each salary-paying unit the premiuns and these premiums will be remitted to the Conference office within 20 days of the billing date. The salary-paying unit is responsible for administering the amount of the PC offered and employee contributions, if any.

Retired Lay Employees:
Retired lay employees (as verified by the local church or salary paying unit) may continue in the Confer-ence Insurance program until age 65 provided:

1. The participant has been on the insurance program for the past five (5) years.

2. The participant will pay the full-retired premium rate based upon the plan chosen.

After the retired lay employee reaches Medicare-eligibility, they will be dropped from the active plan and may purchase an individual plan through ViaBenefits, but no contribution to an HRA account will be provided for lay employees.

OTHER BENEFITS

Emergency Grant Program:
The Conference Board of Pension and Health Benefits (CBOPHB) has established an Emergency Grant Program to provide financial assistance to active and retired United Methodist clergy who are without resources for a one-time unexpected expense. Eligibility for these grants is limited to retired clergy with at least ten (10) years of service in the Northwest Texas Conferenced and all active clergy under appointment. Examples of emergencies qualifying for the grants include but are not limited to:

- Uninsured medical expenses (deductibles, copays, and coinsurance, but excluding expenses that would have been covered by insurance)
- Funeral expenses for clergy member or immediate family members
- Travel expenses for medical treatment or to attend a funeral of an immediate family member
- One month of assisted living or nursing home expense following an illness for clergy member or spouse
- Major, uninsured home repair (limited to 50% of expense)

Application for grants should be made to the Conference Benefit Officer (CBO). Grants up to $1,000 can be approved by the Chief Financial Officer and Conference Benefits Officer (CFO/CBO), or in his/her absence, the Director of Mission and Administration (DMA). Grants over $1,000 and up to $3,000 must be approved by at least three of the following persons: CFO/CBO, DMA, Chair of the Board of Ministry, Chair of the Conference Board of Pension and Health Benefits (CBOPHB). Grants over $3,000 must be approved by a vote of the CBOPHB.

Pre-1982 Grant Program:
Periodically the CBOPHB has recommended increases in the Past Service Rate (PSR) of approximately 1% - 2% annually. The PSR is multiplied times the number of years of service in the Pre-82 Plan to arrive at the annual pension benefit. However, the impact of an increase in the PSR has limited impact on clergy who have rela-tively few years of service under that plan relative to the cost of providing an increase in the PSR. Therefore, the CBOPHB has for the past four years made one-time grants that are specifically targeted for current retirees receiving Pre-82 Plan benefits.

For 2023, all recipients of Pre-82 pension benefits who retired from this Conference, regardless of their service in or outside of the Conference, will receive a payment of $1,000 in December. **For 2024, the CBOPHB is proposing that all recipients of Pre-82 pension benefits from the Northwest Texas Conference and who re-tired from this Conference receive a payment of $500. See Resolution III.**

The Conference Benefits Office (CBO) will notify grant recipients no later than November 1 of the year in which the grant will be paid. Eligible grant recipients may waive these grants by notifying the Conference Benefits office by November 30.

Past Service Rate (PSR)
As noted in the preceding section, the Conference Board of Pension and Health Benefits (CBOPHB) seeks to provide meaningful benefits to retirees, particularly those receiving pension payments under the Pre-82 Plan. In many years, the CBOPHB has recommended increases in the Past Service Rate (PSR) of approximately 1% annual-ly. The PSR is multiplied times the number of years of service in the Pre-82 Plan to arrive at the annual pension benefit.

For 2024, the CBOPHB is recommending the PSR be increased to $752 (see Resolution III).

Annual Conference Expense for Retired Clergy:
The Conference will subsidize the cost of Annual Conference for retired clergy or surviving spouses at the follow-ing per diem rates (maximum of 3 days):

- Lodging (General Services Administration [GSA] rate for Continental U.S. [CONUS]) - $98.00 per day (individual or couple)
- Meals and incidentals (50% of GSA rate for CONUS) – $29.50 per day per person

Those persons living within the metropolitan area of where Annual Conference is being held will not be paid Annual Conference Expense nor will retired persons serving appointments or persons on disability leave.

Retiree Moving Expense:
When a clergyperson of the Annual Conference, serving under Episcopal appointment at the time of retire-ment or disability, becomes a recipient of pension or disability benefits, the Conference Board of Pensions may pay the actual moving expenses within six months of the final appointment prior to entering a retired relationship, as a one time reimbursement, provided however, that such payment shall not exceed the conference approved moving rate.
A surviving spouse of a deceased active or retired clergyperson may also receive a one-time reimbursement, at the time of the clergyperson's death, provided however that such payment shall not exceed the conference ap-proved moving rate.

SHARED MINISTRIES:
There will be NO apportionment to the pastoral charges for the period January 1 - December 31, 2024.

Historically, the Shared Ministries for Clergy Care and Services paid the HRA contributions for retired clergy, their spouses and surviving spouses, a percentage of the HealthFlex plans for all retirees/spouses still on the "active plan" due to age, and surviving spouses according to the vesting schedule above, ½ of the premiums for evangelists appointed by the conference, ½ of the premiums for those on incapacity leave, pension contributions for the Conference staff, and administrative expenses of the Conference Benefits office. The cost of these items is approximately $400 thousand. The CBOPHB has decided to fund these costs from Conference reserves.

FUNDING RESERVE TRUST FOR CLERGY BENEFIT PLANS:
At the called Annual Conference of December 3, 2022, a Funding Reserve Trust for Clergy Benefit Plans ("the Trust") was established. In January 2023, it was funded with $7.5 million.
Because it is anticipated the Northwest Texas Conference (NWTX) will be united with one or more United Methodist Conferences in 2024, the Trust was organized as a tax-exempt supporting organization under the provi-sions of Internal Revenue Code Section 501(c)(3).

The trust will hold funds to pay for the beneifts of the clergy of the Nortwest Texas Annual Conferencee in the Medical HRA Plan (the Medicare Connector health reimbursement arrangement under the HealthFlex Plan cur-rently administered by ViaBenefits), the Consolidated Defined Benefit Plan portion of the Clergy Retirement Secu-rity Program (CRSP), the United Methodist Personal Investment Plan (UMPIP) or a successor of any of these plans.

The Trust is governed by up to ten (10) Class A Trustees, up to three (3) Class B Trustees, and three (3) permanent Class C Trustees. Class A trustees are appointed by United Methodist (UMC) or Global Methodist (GMC) conferences, one trustee for each 10% of the current or former NWTX clergy. For UMC or GMC conference with fewer than 10% of former NWTX clergy, they can select up to three trustees. The Class C trustees are Bishop Jimmy Nunn, Natalie Hermes and David Andersen.

The trustees will meet at least annually to manage, administer, invest and distribute the trust assets for the beneficiary plans noted above.

NWTX 2024 COMPREHENSIVE BENEFIT FUNDING PLAN

This funding plan incorporates, to the best of our understanding, the plan sponsor's obligations and funding of the benefits provided to clergy and laity, as noted below.

It is understood by the signees that defined benefit plan liabilities [Pre-82 Plan, Ministerial Pension Plan (MPP) and Clergy Retirement Security Program Defined Benefit (CRSP DB) and other sponsored defined benefit plans] continue until the last benefit is paid to participants and their surviving spouses irrespective of the funding level of the plan. That is, even if the assets in the plan are larger than the liabilities in the plan, the plan sponsor still has a liability (obligation) and potential future contribution due to the plan.

Clergy Retirement Security Program (CRSP)

Plan Overview: The Clergy Retirement Security Program (CRSP) is an Internal Revenue Code section 403(b) retirement program providing lifetime income and account flexibility designed for those who serve as clergy of The United Methodist Church. The plan is designed to provide participants with one portion of their overall retirement benefits. CRSP replaced the Ministerial Pension Plan (MPP) effective January 1, 2007.

CRSP consists of two components:

- A defined benefit (DB) plan--provides a monthly benefit at retirement based upon years of credited service to the Church
- A defined contribution (DC) plan--provides a retirement account balance established and funded by the annual conferences

Ministerial Pension Plan (MPP)

Plan Overview: Supplement Three to the Clergy Retirement Security Program (CRSP), also known as the Ministerial Pension Plan (MPP) provides clergy with a pension benefit for their years of ministry with The United Methodist Church from 1982 through 2006. MPP is an Internal Revenue Code section 403(b) retirement plan. MPP requires that exactly 65% of the account balance must be annuitized when it is to be distributed. The remainder may be rolled over to UMPIP, another qualified plan or an IRA, or paid in a lump sum.

Pre-82 Plan (Pre-82)

Plan Overview: Supplement One to the Clergy Retirement Security Program (CRSP), also known as the Pre-82 Plan, provides clergy with a pension benefit for their years of ministry with The United Methodist Church prior to 1982. The Pre-82 Plan was replaced by MPP effective January 1, 1982. If a clergyperson retires within the conference (and does not terminate), the minimum benefit payable is based on two factors:

1) Years of service with pension credit--approved by each conference on the recommendation of the Conference Board of Pensions (CBOP) in accordance with plan provisions and The Book of Discipline.

2) The conference pension rate (past service rate)--the dollar amount chosen by the conference as the amount payable for each approved year of service with pension credit (may change from year to year).

The number of years of service with pension credit is multiplied by the PSR, and the product is the minimum annual benefit payable to those clergy eligible for Pre-82 Plan benefits. In certain situations, the benefit received from the Pre-82 plan may vary based on the applicability of what is referred to as Defined Benefit Service Money (DBSM), which is the defined contribution feature of the Pre-1982 Plan. At the time that a participant retires, the DBSM account is converted to a life-based benefit. At that point, the clergy's benefit is the greater of the PSR benefit or DBSM benefit. If the conference increases the PSR, the clergy's benefit is recalculated; however the DBSM-based benefit does not change.

Generally, clergy are eligible to participate in CPP if they satisfy the eligibility requirements, including full-time appointment with plan compensation of at least 25% of the Denominational Average Compensation (DAC). Plan sponsors may elect to cover participants with three-quarter time appointments and/or to continue to cover clergy who, due to certain leaves or appointments, are not otherwise eligible to continue coverage.

The CPP adoption agreement executed by the NORTHWEST TEXAS contains its elections to cover or not to cover categories mentioned above.

COUNCIL ON FINANCE & ADMINISTRATION POLICIES

The Conference Council on Finance and Administration (CCFA) presents the following policies and procedures for consideration and adoption at the session of Annual Conference meeting at **Lubbock, TX, June 1 & 2, 2023.**

I. FINANCIAL PROCEDURES FOR THE NORTHWEST TEXAS CONFERENCE

A. The Conference Council on Finance and Administration and the Chief Financial Officer will be directed by the requirements of the *2016 BOOK OF DISCIPLINE*, Paragraphs 611-619, and by actions of the Session of the Annual Conference each year.

B. The Conference Chief Financial Officer (CFO) Office is designated as the Central Accounting Office of the Northwest Texas Conference. All funds received on behalf of the Conference shall be deposited with the CFO for distribution as directed by the Conference.

C. The Conference books will be audited annually. Used in this context, "Audited" means an audit conducted by an independent certified public accountant in accordance with Generally Accepted Auditing Standards.

D. Budgeting Process and Procedures:

1. The **2024** Conference budget will be compiled by the CFO and presented at the meeting of CF&A **prior to the regularly scheduled annual conference or a called annual conference as determined by the Bishop.**
   a) The Conference budget consists of an expense budget and a Shared Ministries budget. The Budget for Shared Ministries is computed based upon the expense budget – what we expect to spend – and the expected pay-in rate of Shared Ministries. The Budget for Shared Ministries is used to calculate each church's Shared Ministries (apportionments).
   b) CF&A may, at its discretion and in consultation with the Bishop, the CFO, and the Assistant to the Bishop, utilize "reserves" (Net Assets) to offset the Budget for Shared Ministries in whole or in part.
   c) CF&A will report to the annual conference session at which the Budget for Shared Ministries is being presented, the amount of Net Assets/"reserves" being used to reduce the budget that will be apportioned as per 2.(a) above.
2. Contingency amounts shall not be included in any expense budget. Unbudgeted needs may be made through written requests, no later than November 15, addressed to the President of the Conference Council on Finance and Administration (CF&A) for processing with the Executive Committee or the entire CF&A when in session. Any emergency or special funding granted by the Executive Committee or the CCFA will be taken from the Conference Net Assets.

E. Shared Ministries:

1. The Budget for Shared Ministries for each church for the Conference year **2024** will be calculated on the Decimals approved by the Annual Conference following the adoption of the **2024** Conference budget **at a 2023 Annual Conference Session.** These will be given to the district superintendents to be distributed to the local churches.
2. As noted in D.1. b) and c) above, CF&A has determined that "reserves" (Net Assets) will be utilized to offset the Budget for Shared Ministries in total. Accordingly, the Budget for Shared Ministries will be **$0.00** for **2024**.
3. An expense budget will be presented to the Annual Conference for 2024. The expense budget of the Annual Conference is compiled by distinct cost centers and ministry areas.
4. For Net Assets(funds) with Donor Restrictions or designated Net Assets without Donor Restrictions (e.g. Equitable Comp, Episcopal Fund, all General Church and Jurisdictional apportionments, etc.) the Conference will remit to the appropriate agency the money received by the Conference. For Net Assets (funds) without Donor Restrictions (e.g. Conference ministry support, conference ministries, etc.) the Conference will fund each area up to the amount of the expense budget.
5. All salaries, payroll taxes, pensions, and health insurance will be paid at 100% of the amount set by the personnel committee and included in the expense budget.
6. CF&A hereby reserves the right to adjust other unrestricted budget items to match the amount of expected funding to be received from Shared Ministries or to reflect changes in Conference organization, ministries, and priorities.

F. Disbursements:

1. Any expenditure of $500.00 (five hundred dollars) or more and not meeting one of the exceptions in the Purchasing Policy, must first be requested pursuant to the Purchasing Policy published by the CFO's office and available on the Conference website.
2. Reimbursement for travel, lodging, and incidental expense for <u>unpaid</u> staff and members of Conference committees, boards, councils, and agencies conducting business on behalf of the Annual Conference <u>within</u> the bounds of the Annual Conference: Committees, boards, and agencies shall be authorized to pay up to a maximum of 1000 miles (round trip) travel allowance at a rate of 30¢ per mile, or the lowest airfare rate, and 35¢ per mile allowance

when more than one board or agency member travels in the same car. Members of committees, boards, and agencies, and others conducting conference business shall be reimbursed only for actual ordinary and necessary expenses such as motels, meals, tips, etc., relating to the meeting involved. Members of boards and agencies and others doing conference business shall be allowed, by voucher, up to $40 per night for the fees involved in parking a travel camper or other arrangements. All voucher requests shall be accompanied by receipts for travel, meals, lodging, honorarium, and other expenses. Miles claimed are exempt from required receipts. Reimbursements for meals and motel/hotel shall have the following guidelines: Lodging – the current per diem rate established by the U.S. General Services Administration (GSA) for the Continental United States (CONUS) - currently **$98** per day; Meals and incidentals – the current per diem rate established by the U.S. General Services Administration (GSA) for CONUS -currently **$59** per day. Any exceptions will be reviewed by the Director of Mission and Administration, the chairperson of the involved entity, and/or the Conference CFO.

3. Reimbursement for travel, lodging, and incidental expense for unpaid staff and members of Conference committees, boards, councils, and agencies conducting business on behalf of the Annual Conference outside the bounds of the Annual Conference: Committees, boards, councils, and agencies shall be authorized to pay actual ordinary and necessary expenses for lodging, meals, and incidentals related to the business involved. All requests for reimbursement shall be accompanied by receipts documenting the expense. Committees, boards, and agencies shall be authorized to pay for use of a personal automobile at a rate of 30¢ per mile, but not to exceed the lowest airfare rate, and 35¢ per mile allowance when more than one board or agency member travels in the same car. Any exceptions will be reviewed by the Director of Mission and Administration, the chairperson of the involved entity, and/or the Conference CFO.

4. Employees of the Conference, including Conference Service Center Staff and District Superintendents, will be reimbursed for business use of their personal automobiles at the maximum Internal Revenue Service mileage rate. The Conference will also pay actual expenses for ordinary and necessary business expenses – including lodging, meals and incidentals, and transportation – upon the submission of a request for reimbursement accompanied by receipts documenting the expense.

5. Lodging is paid for volunteers attending events only. The **spouse's expenses are not covered** unless the spouse is a member of that board, committee, or commission.

6. All vouchers will be paid by the due date of the invoice or, if no due date, then within normal trade payable terms, usually 30 days.

G. Other Financial Policies and Procedures:

1. District Superintendents:

a) The cash salary of each superintendent and cabinet level employee shall be 180% of the cash portion (excludes value of parsonage or housing allowance) of the Conference Average Compensation (CAC), as determined by the General Board of Pension for the current calendar year. For **2023** the cash salary is $**114,042**. For **2024** the cash salary shall be $**116,161**.

b) Professional expenses shall be paid monthly to each District Superintendent, as requisitioned (see H.4. above)

c) Each district superintendent shall be required to requisition in detail for travel expenses; moving expenses (new district superintendents); and continuing education.

d) Contributions to the Clergy Retirement Security Program defined benefit (CRSP-DB) will be made in accordance with the rules and rates established by the Plan and/or the Conference Board of Pension and Health Benefits (CBOPHB) for participants in that plan. Contributions to the Clergy Retirement Security Program defined contribution (CRSP-DC) will be made based on 2% of plan compensation, and an additional 1% of plan compensation if the District Superintendent contributes at least 1% of plan compensation to the United Methodist Personal Investment Plan (UMPIP) as per the rules established by the Plan and/or the CBOPHB. District Superintendents will also participate in the Clergy Protection Plan (CPP) in accordance to the rules and rates established by the Plan and/or the CBOPHB.

e) Provision of a district office and housing for the district superintendent is the responsibility of the district trustees.

2. No member or employee of any Conference agency and no employee, trustee, or director of any agency or institution participating in the funds of any Conference budget shall be eligible for voting membership on the council. (¶612.2b, *2016 BOOK OF DISCIPLINE*).

3. All institutions and agencies receiving financial support from the Northwest Texas Conference shall forward copies of their audit with the Conference Treasurer for the Conference Council on Finance and Administration. Audits are due by June 30 each year. If audits are not received, funds may be withheld pending receipt of the audit. Used in this context, "Audit" means a compilation, review, or audit conducted by an independent certified public accountant.

a. Compilation Threshold: Any institution and agency which wishes to receive financial support from the Northwest Texas Conference and which has a total annual budget of $100,000 to $249,999, shall submit, at the minimum, a compilation conducted by an independent certified public accountant. If necessary, the Conference will allocate up to $2,500 of the Shared Ministries support to pay for the compilation.

b. Review Threshold: Any institution and agency which wishes to receive financial support from the Northwest Texas Conference and which has a total annual budget of between $250,000 and $499,999, shall submit, at the minimum, a review conducted by an independent certified public accountant. If necessary, the Conference will allocate up to $5,000 of the Shared Ministries support to pay for the review.

c. Audit Threshold: Any institution and agency which wishes to receive financial support from the Northwest Texas Conference and which has a total annual budget of $500,000 or more, shall submit an audit conducted by an independent certified public accountant. If necessary, the Conference will allocate up to $10,000 of the Shared Ministries support to pay for the audit.

d. When it is not practical to engage an independent certified public accountant, a "review" may be conducted by qualified person or entity not involved in the day-to-day accounting processes of the church, institution, or agency. For example, a church could make an agreement with another church to "swap" their financial reviews. If a financial review is conducted by someone other than an independent certified public accountant, then the review must undertaken using the Questionnaire for Examiner of Conference Auxiliary Agency Financial Records available from the Treasurer/CFO office.

4. The Northwest Texas Conference, in keeping with ¶258.4(b) *2016 BOOK OF DISCIPLINE*, provides Commercial Blanket Bond Coverage of local church treasurers, up to $100,000.

5. The CFO is required to retain all documents or electronic facsimiles thereof in retrievable form following appropriate disaster recovery procedures including off-site storage of computer files.

6. Designated or Net Assets with Donor Restrictions will be considered active so long as reasonable progress continues with respect to the project or ministry. The fund may be assigned inactive status when all money is disbursed from the fund when the CFO's office determines the fund is no longer active when the CFO's office determines that the fund is no longer being utilized or when the project or purpose for the fund is completed.

7. A Designated or Net Asset with Donor Restrictions fund will be dissolved by the CFO's office with the approval of the Conference Council on Finance and Administration when the fund is assigned an inactive status (as described above), or upon the direction of the CCFA, if the purpose of the fund becomes impossible or impracticable to perform.

8. All contributions received by the Conference for a duly inactivated or dissolved Designated/Net Asset with Donor Restrictions Fund will be treated as a contribution to the Conference, and any remaining balance will be added to the general fund of the Conference. The CCFA reserves the right to make exceptions on where these balances are channeled.

II. CONFERENCE GENERAL FUND

A. The Conference General Fund/Net Assets without Donor Restrictions is to assure a reasonable reserve to be used for the operation of the Annual Conference. The adequacy of the Fund, and all reserves of the Annual Conference, is reviewed at least annually by CF&A in consultation with the CFO and the Assistant to the Bishop/Director of Missions and Administration.

B. The CFO and president of the Conference Council on Finance and Administration are authorized to borrow funds, when necessary, on a short-term basis, from the Conference Depository of Funds to meet the demands made on the Conference General Fund. Such loans shall be retired with funds received from the churches in the year in which the loan is made.

C. In keeping with the recommendations of the General Council on Finance and Administration, the Conference General Fund should be maintained within a range set by the Council on Finance and Administration. Any monies of the Conference General Fund not in demand shall be invested with other Conference funds according to the investment policies adopted by the Conference Council on Finance and Administration and the Conference Investment Committee. Earnings from investments shall be credited to and become a part of the Conference Stabilization Fund unless exempted by the Council on Finance and Administration.

III. INVESTMENT OF CONFERENCE FUNDS

A. The CFO shall execute the policies established by the Conference Investment Committee in conjunction with the Council on Finance and Administration, the Conference Board of Pension and Health Benefits, and the Conference Board of Trustees all of which have responsibilities related to governing investments of Conference funds and regulating cash flow.

B. All funds shall be invested following the guidelines of the Investment Policy (as approved by the Council on Finance and Administration, the Board of Trustees, and the Conference Board of Pension and Health Benefits). See ¶613.5, 2016 *BOOK OF DISCIPLINE*. A listing of investments shall be reported annually in the Conference *JOURNAL*.

C. The CFO shall report annually to the Conference Council on Finance and Administration the amounts invested and the earnings gained from the investments.

D. The CFO shall seek approval annually from the Conference Council on Finance and Administration of the depository

or depositories of Conference funds. The Council can authorize the CFO to make any changes it deems appropriate.

IV. GENERAL POLICIES

A. We recommend that all councils, boards, commissions, and committees attempt to reduce the number of persons attending any one meeting. Furthermore, we encourage the use of telephone and video conferencing whenever this is practical.

B. Conference special days and offerings:

1. We approve the following special days with offerings:
   a) Fall - Christian Education Sunday
   b) Third Sunday in September - Wesley Community Center, Amarillo
   c) November – Providence Place (formerly Methodist Mission Home) Sunday

C. When an automobile is furnished for a pastor, it shall be valued as specified in IRS regulations. The utilities for the parsonage should be paid by the church and we encourage churches to pay the pastor's continuing education expenses.

D. Financial projects and campaigns of the Conference shall be governed as follows:

1. All financial projects and campaigns that involve soliciting funds from <u>all</u> churches in the Conference shall be approved by the agency involved, by the Council on Finance and Administration, and by the Annual Conference before the beginning of the said financial campaign or project; provided, however, that this bylaw shall not apply to those projects or campaigns having the approval of the general church or Council of Bishops.
2. Any financial project or campaign so approved shall state a duration (how long the project or campaign will run) and termination date. These shall be strictly observed.
3. All requests for funds, special days, or authorization of appeals for funds shall be submitted to the Council on Finance and Administration no later than January 31 of each year. The Council on Finance and Administration shall make its recommendations concerning such requests before they are submitted to a business meeting of the Annual Conference.
4. When quotas or apportionments are established to individual churches for a special project or campaign, said quotas shall continue unchanged through the duration of the campaign.
5. All projects of Conference-related institutions and agencies which will result in the incurring of indebtedness against Conference-owned property shall be submitted to the Conference institution or agency involved. These projects also shall be submitted per the policies of the Council on Finance and Administration and shall be approved by the Conference Board of Trustees and at a business meeting of the Annual Conference before the beginning of the project. Between sessions of the Annual Conference, the Council on Finance and Administration, in collaboration with the Conference Board of Trustees shall have the authority to grant the required approval if
   a) the institution or agency involved presents satisfactory evidence that means of repayment of the indebtedness is adequately committed.
   b) the project has been presented per the policies of the Conference Council on Finance and Administration.
6. We recommend the following institutions be granted permission to solicit funds within the Conference without a campaign for the year **2024** (A campaign is interpreted as when an institution or agency sets fair share goals for the churches of the Northwest Texas Conference and the churches are expected to meet these goals.):

   b) McMurry University for wills and special gifts.
   c) Butman Methodist Camp and Retreat Center and Ceta Canyon Camp and Retreat Center, for capital development plans.

   b) All donations and pledges received at Conference-hosted events and sites shall be restricted and designated for the camps conducted under the auspices of the Conference Camping Action Team unless the donor specifically specifies the donation/pledge for a specific purpose.
   c) An acceptable schedule of each camp site's revenue and expense for each camp conducted under the auspices of the Conference Camping Action Team must be submitted before the camp site's invoice for a camp may be paid or settled by the Conference Treasurer.

LUBBOCK METHODIST HOSPITAL SYSTEM AND COVENANT HEALTH

Submitted by Carolyn Wilkerson and Kathleen Burrell

Covenant Health (Covenant) was created in 1998 through the merger of Lubbock Methodist Hospital System (LMHS) and St. Mary of the Plains Hospital. Covenant has two corporate members – LMHS and St. Joseph Health System (SJHS), the parent corporation of the former St. Mary of the Plains Hospital. Covenant operates under the directives of The Book of Discipline of the United Methodist Church and the Ethical and Religious Directives of the Catholic Church.

In 2017, a combination between Providence Health & Services and SJHS resulted in a new entity – Providence St. Joseph Health (PSJH). PSJH, a diverse family of organizations with 117,000 employees serving hospitals, clinics, other programs across Alaska, California, Montana, New Mexico, Oregon, Texas, and Washington, now controls SJHS.

Following that combination, PSJH, SJHS, and Covenant adopted a unified mission statement, which reads: "As expressions of God's healing love, witnessed through the ministry of Jesus, we are steadfast in serving all, especially those who are poor and vulnerable." Covenant lives out that statement daily through the kindness and compassion of its caregivers.

Operationally, Covenant continues to move from a model focused on treating acute illnesses to a more strategic population health model. Population health is a proactive, patient-centric approach to health care that promotes prevention, wellness, care coordination and care management. The goal is to provide high quality and better patient experience while reducing costs.

Walt Cathey assumed the role of Regional Chief Executive in 2021, building upon his more than 27 years with Covenant. Walt began as an occupational therapist aide and most recently served as President of the Lubbock Market before taking on his current role.

Covenant currently operates eight (8) hospitals in West Texas and New Mexico, in addition to a robust network of clinics, urgent care sites, and free-standing emergency rooms throughout the region. Covenant's infrastructure also includes two physician medical groups, Hospice of Lubbock, an accountable care organization, and the Covenant Foundation. Joint ventures include the Covenant High Plains Surgery Center and Trustpoint, a rehabilitation hospital. In 2021, Covenant purchased all outstanding limited partner units and became the sole owner of Covenant Specialty Hospital. Covenant Hospital Hobbs, which was formed following the acquisition of Lea Regional Medical Center on January 1, 2021, moved into its new hospital facility in Fall 2022. Most recently on January 1, 2023, Covenant acquired Lubbock Diagnostic Radiology's shares in Covenant Diagnostic Imaging Center and now owns the entity in its entirety.

Since 2016, Covenant is also a proud partner with Texas Tech University Health Sciences Center (TTU-HSC) to provide clinical training for residents in six core specialties- family medicine, internal medicine, OB/GYN, pediatrics, psychiatry and surgery. Residents come to Covenant for a year at a time to train with Covenant physicians. As of May 2023, Covenant will have graduated 187 medical students from this program.

Covenant, along with the LMHS Board of Directors, was also proud to again sponsor the biannual Michael E. DeBakey Lectureship Series. In 2022, this program featured Dr. Robert Klitzman, Professor of psychiatry at Columbia University, who offered a program entitled, "When Doctors Become Patients: Mental Health, Stigma and Suicide Among Physicians and How We Should Respond."

Board Relationships and Information

The Covenant Board of Directors is comprised of 19 members, selected and appointed as follows:

- Eight (8) by the Lubbock Methodist Hospital System Board with approval from the Northwest Conference of the United Methodist Church;
- Eight (8) by the SJHS corporate member; and
- The Covenant Health Regional Chief Executive

Beginning January 2023, Covenant Medical Center and Covenant Children's Hospital are now separate ministry boards, and the chiefs of staff will no longer serve on the Covenant Board of Directors. Instead, the chiefs of staff will serve on the boards of their respective hospitals.

The LMHS Board of Directors is comprised of up to twenty-four (24) members, selected by the nominating committee of the LMHS Board and approved by the Northwest Conference of the United Methodist Church. Current members of the LMHS Board include Kevin Atkins, Sarah Bevers, Rev. Don Boren, Brian Bruening, M.D., Lindsay Cooper, Phebe Ellis Roach, Mary Ellen Hale, Kerry Hendershot, M.D., Joshua Hill, M.D., Heather Hocker, Jay Norton, Krystle Pierce, Jorge Ramirez, JD, Bryan Reaves, Robert Salem, M.D., Chris Snead, Troy Tucker, Gabe Vitela, Don Walker and Carolyn Wilkerson.

Brian Bruening, M.D., Mary Ellen Hale, Kerry Hendershot, M.D. and Jay Norton, will be ending their service on the LMHS Board as of December 2023. Those nominated to fill empty Board positions for their initial three-year term beginning in January 2024 include Amber Miller, and Carolyn Wilkerson will remain on for an additional year. The board members whose first three-year terms expire December 2023 includes Kevin Atkins, Phebe Ellis-Roach, Heather Hocker and Jorge Ramirez. The LMHS Board is recommending the aforementioned for a second three-year term.

The LMHS Board reviews the work of the Covenant Health System Board through two committees: Operating and Oversight. The Operating Committee oversees the financial business of LMHS, while the Oversight Committee is charged with the responsibility of assuring compliance with the definitive agreement between LMHS and SJHS. In addition to the

Operating and Oversight Committees, the LMHS Board has a Nominating Committee, charged with the responsibility to recommend candidates for membership on the LMHS Board, along with recommending officers for the LMHS Board. The LMHS Board has also recently engaged in philanthropic efforts, including charitable donations to the Covenant Foundation Community Scholarship Program, which started this year to grow new employees in our health system as well as retain those employees who want to continue in their education.

Community Benefit

During 2022, Covenant's community benefit expenditures reported for the service area totaled approximately $75.4 million, inclusive of financial assistance, charity care, unpaid cost of Medicaid, health professional education, community services for the poor and other community service projects. Subsidized care was unable to be reported in 2022 due to difficulties with new software systems.

A board-appointed committee comprised of Covenant Board members and community members oversees Community Benefit programs and expenditures. Those serving on the Community Benefit Committee during 2022 included the following: Jorge Sanchez, Chris Moore, Michelle Hunter, Christine Allen, Aaron Dawson, Kim Turner, Sr. Christine Ray, David Weaver, Troy Tucker, and Phebe Ellis-Roach. This committee is staffed by the Community Health Investment team and executive leaders.

In 2022, more than $3.5 million was budgeted for community outreach programs and grant support. The funds are expended

based on the needs of the community, as indicated by our Community Health Needs Assessment, which is conducted every three (3) years. Covenant last completed a Community Health Needs Assessment in 2021, which prioritized outreach focus areas of mental and behavioral health, access to health services, homelessness and housing instability, and food insecurity and nutrition. Covenant community outreach currently includes direct programs for dental, counseling, diabetes education, and low-income patient navigation. We also funded social-emotional programming for Lubbock Independent School District. In response to the pandemic, Covenant Health Outreach worked directly with multiple non-profits to support Covid vaccine outreach and education throughout 2021 and 2022.

Covenant's Spiritual Care
Covenant's Spiritual Care Department received a rebranding from our parent organization Providence in 2021 and is now known as Spiritual Health Services. This rebranding reflects in part the Covid experience impact on Caregivers and patients. Our professional chaplains are responding to an increase in requests to facilitate dialogue on a variety of topics, including burnout.

We welcomed Father Emiliano Zapata as a part-time priest chaplain and said farewell to Sister Carmela Macabanti. Chaplains Keith Cooper and Brittany Crawford became board certified and were elevated to the position of Sr. Chaplains. Spiritual Care is provisioned in our other hospitals and facilities by community clergy which is truly a blessing to our program. The Clinical Pastoral Education program was temporarily suspended in August 2022, with plans to resume education in 2023 or 2024.

Covenant's Code Lavender response program is designed to provide caregivers with emotional and spiritual support when they are impacted by a tragedy or other traumatic event. The response team began at Covenant Medical Center and has expanded to Covenant Plainview Hospital. The Center for Spiritual Health & Resiliency is a sponsor for the project with the support of the Covenant Health Foundation.

The Spiritual Health Services Department arranged the staffing schedule so it could supply Grace Surgical Hospital with a Chaplain two mornings each week. Patients and Caregivers appreciate the presence as it strengthens the Covenant Care Model of spiritually centered health care. In 2022, additional spiritual support was extended to the Joe Arrington Cancer Center and other ancillary service locations.

Our planned position at Covenant Hobbs Hospital has been delayed due to economic and Covid- related challenges. We plan to introduce a hybrid mission/chaplain position in Hobbs soon.

Providence created a Vice President of Spiritual Health Services position in 2021 to elevate and standardize spiritual health in all regions. Not surprisingly, some regions have very robust spiritual health services while others have a gap to bridge. Best practices, which are data driven, will assist leadership with making decisions to benefit our caregivers and patients. We are proud that a former Chaplain at Covenant Health is now leading the research and data work for the greater Providence System.

Care Experience
By living out our values, Covenant remains the leading destination in our communities for patients to receive compassionate, connected care. The Covenant Service Promise guides us in delivering excellence that honors the dignity of every patient and family we serve. The Service Promise is simple - "Know me, Care for me, Ease my way." We know that healthcare is a service industry and that patients come to us not only to heal their bodies but also to be cared for, mind, body and spirit. As we continue the journey toward delivering excellence at the bedside, incorporating our patient promise into our daily work remains at the heart of our compassionate caregivers. With compassionate, connected care as our goal, our patients remain our focus as we continue to foster a culture where caregivers feel appreciated and engaged, which influences the care that we give.

A Communicative Culture: Senior Leader Rounding & Town Hall on Tour
Keeping our caregivers informed is an integral part of a positive culture. In 2022, Covenant's Senior Leaders were intentional about fostering a healthy two-way communication dialogue between themselves and caregivers in every area. To build these relationships, senior leaders frequently checked in on departments to have meaningful conversations with caregivers, answer questions and address rumors. At different points throughout the year, senior leaders infused a spirit of fun by dressing up as an Easter egg in the spring or an elf around the holidays, delivering both candy and conversation to our frontline teams. Another form of communication that our caregivers enjoyed were the weekly Town Hall meetings, where Senior Leaders informed about upcoming changes and gave time sensitive announcements. During football season, Senior Leaders highlighted different areas during this weekly virtual meeting by dressing up in Texas Tech colors

and calling it a "Game Day Town Hall on Tour." Leaders were able to recognize their wonderful caregivers and celebrate the great work being done during these broadcasted meetings. Caregivers appreciated the information, recognition and opportunity for communication and fun.

Patient Family Advisory Council
Covenant maintains a Patient-Family Advisory Council (PFAC) consisting of previous patients and/or family members that have had direct care experiences at Covenant. Members are given the opportunity to give input on new policies, programs and services with the intent of making Covenant the best place to receive care. This program allows Covenant to keep its finger on the pulse of care, ensuring that they remain engaged and informed about the patient experience. The PFAC continues to grow and become more informed and involved about services offered at Covenant. These members are some of our strongest advocates in the community and help bridge the gap between the care we intent to give and the patient and visitor perspective, which has been especially helpful through these recent Covid-ridden years.

Volunteers, Guest Relations and SeniorCare
In 2022, Volunteers, Guest Relations and SeniorCare Services touched many areas of our facilities by the efforts of so many in our community. First, our deeply committed hospital volunteers have made an increased effort to honor our current volunteers by acknowledging and showing appreciation as well as growing our volunteer roster to that of our pre-Covid levels. These volunteers have also revised and brought back pet therapy to the Joe Arrington Cancer Center, the Covenant Children's Hospital and to Covenant Medical Center.

As part of our Diversity, Equity and Inclusion (DEI) efforts, Covenant has a group of Texas Tech students called "Joy Centric" that visit Joe Arrington Cancer Center once a month to spend time with patients and play games with patients as they await or undergo treatments.

Internships have been made available to our young professionals. These interns have become part of our team and obtain a unique opportunity to experience the caregiver environment.
As interns participate in the "Ambassador Shift" program, they then integrate our mission and values into their work culture. "Ambassador Shifts" allow our interns to put into practice our Covenant mission, values and promise, "know me, care for me, ease my way," by interacting with caregivers in all our facilities. Interns also receive the opportunity to earn required volunteer hours through serving in different capacities based on the needs within our ministries. Interns are required to complete 100 hours of service per semester.

Our first SeniorCare program since Covid will be held April 26, 2023. The Senior Care program at Covenant Health is dedicated to partnering with our senior population to ease and facilitate lifestyle changes and transitions. Senior Care provides a handful

of different educational, wellness, and social programs that engage and expand on the well-being of seniors.

Master Facility Plan
Because of the pandemic, most major construction projects across PSJH were put on hold for much of 2020 and 2021, including most projects at Covenant Health. However, beginning in late 2021 certain projects were able to resume.

Those include:
Covenant Children's Hospital – A project to replace the exterior of Covenant Children's Hospital is currently underway. After some unanticipated delays, the project is expected to be completed in mid-2023. A portion of the first floor is also being remodeled for a new pediatric Relational Health department, with anticipated completion in early Fall 2023.

Covenant Medical Center – The Hope Tower Project has continued to progress and maintains its projected completion date of Fall 2023.

Covenant Hospital Plainview – Renovation of clinical and public spaces at Covenant Hospital Plainview has resumed in some areas. The Central Sterile project was completed in February 2023 and is now in use, and the first floor public area finish upgrade is anticipated to begin in Summer 2023.

Covenant Hospital Hobbs – A new replacement hospital in Hobbs, New Mexico was completed and occupied on September 30, 2022. There are ongoing additional enhancements being completed in select areas through 2023.

Summary
Covenant's commitment to the health of the community remains strong and steadfast. Even during a pandemic, Covenant embraced the challenges. As a leader in our community, we continue to look at the determinants of health, realizing that social and economic status, education, employment, and housing play an important part in the health of individuals throughout West Texas and New Mexico. Covenant treasures its collaboration with the Northwest Conference of the United Methodist Church and looks forward to a continuing partnership with the Conference and others in our community.

METHODIST CHILDREN'S HOME
Submitted by Trey Oakley

Greetings from Methodist Children's Home (MCH) and the more than 10,000 children, youth and families we serve each year. In light of changes occurring in the church, and as an independent 501c3 organization, your continued voluntary support of our vision to empower all we serve to experience life to the fullest is as important as ever. I invite each of you to visit our website at MCH.org to learn more about how to refer a child for placement, or a call to join our ministry.

Your support provides the resources needed to offer the care, programs and talented individuals needed to positively impact the lives of those we serve through residential care on the Waco campus and Boys Ranch and through 14 MCH Family Outreach offices, including Abilene, Lubbock and the Permian Basin.

We are now in our 133nd year of ministry. Here are some highlights of the past year:

- The MCH Board of Directors unanimously approved a proposal to begin a master planning process for the MCH Boys Ranch. This includes expansion of programs and examining how MCH can be even more effective in meeting the needs of children through residential placement.
- For the 10th consecutive time since 1986, MCH earned national reaccreditation from the Council on Accreditation (COA). MCH was evaluated on more than 800 standards, which examined all areas of our operations.
- Secured funding for the Stone and Harris Homes on the Waco campus. These homes are the 10th and 11th new additions and complete Phase 4 of the Building Hope Capital Campaign.
- Raised more than $900,000 in support of the launch of the 14th MCH Family Outreach office, which will be located in the Permian Basin and open in 2023.
- Strengthened the "Together We Flourish" initiative designed to maximize and steward our resources for ministry through collective impact, generosity and support in order to achieve the MCH vision and mission in a greater way. This initiative guides us as we seek out collaborations with other organizations and strengthen the cohesion between our ministry programs.
- Launched a new Emergent Services program with MCH Family Outreach. Emergent Services allows staff to offer referral consultation, assistance and support in an efficient and impactful manner.
- Launched a pilot program to provide free professional counseling services for individuals and families. The program is being through the MCH Family Outreach offices in Abilene and Waco, with hopes of expanding to other MCH Family Outreach locations.
- MCH recognized Stephanie Cummings, residential supervisor on the Waco campus, who received the award for "General Residential Operation Staff of the Year" from the Texas Alliance of Child and Family Services.
- Children, youth and families enjoyed fun summer activities across our residential and Family Outreach programs. Youth participated in faith formation camps, volunteer opportunities and service-based mission trips.
- The MCH football team was named Texas Private School of the Week by Dave Campbell's Texas Football. The Bulldogs were recognized for their 46-40 win against state champion Wylie Prep in Week 3.
- Dedicated the Florence C. Howard Prayer Labyrinth on the Waco campus. The prayer labyrinth is a space for outdoor worship, personal spiritual growth and contemplation.

Our achievements in the past and those yet to come are directly related to the many individuals and congregations throughout our service area, including the Northwest Texas Annual Conference, who support our work and ministry through financial gifts, prayers, advocacy and service on the Board of Directors. May God continue to bless MCH and the ministries of the Northwest Texas Annual Conference.

PROVIDENCE PLACE
Submitted by Judith Bell

Bishop and the members of the Northwest Texas Annual Conference, thank you on behalf of our Board of Directors, staff, and those on our campus who are working hard to achieve their own personal level of success. Your dedication in partnership with the ministry of Providence Place is immeasurable.

The year of 2023 marks 128 years of service; all possible because of your loyal and faithful support from individual donors and United Methodist Churches throughout the Northwest Texas Annual Conference. Every day, we have the wonderful opportunity to see God's hand in our ministries as the lives of the women, children and families are transformed.

Providence Place works to end the cycle of generational trauma through innovative services and continues to evolve its programs and services to meet the ever-changing needs of those we serve. The world is changing; inflation has caused new uncertainties for many. Families are struggling with the rising costs of gas, food, diapers and formula. Providence Place serves over 2,000 individuals each year; 100% of those we serve are living day-to-day trying to make ends meet.

The relationship between Providence Place and Northwest Texas Annual Conference and individual churches has been lifechanging in so many ways. Together, we have helped young women facing unplanned pregnancies, provided a home for countless young adults, offered hope and restoration for survivors of complex trauma, and created loving homes for children in foster care. What makes our programs unique is our ability to serve women, children and families using a trauma informed care model. This commitment to women and families started with our founder, Madame Volino, when she first sought help from Travis Park Methodist Church in San Antonio and changed her life from a brothel owner to a sanctuary for women and young children in need. Without a doubt, churches and their congregants have played a significant role in the success of Providence Place for 128 years; something we will never forget.

I encourage you to call to arrange a speaker for your congregation or church group, and request offering materials for an annual church offering. We couldn't continue these ministries without you and we would love to come and share the stories of Providence Place! If we could be a resource to you, contact our Mission Advancement Team at (210) 696-2410 or at mission.advancement@provplace.org. Also, please visit our website at www.provplace.org to learn more about these special ministries and to hear first-hand stories from those we have served.

TMF - TEXAS METHODIST FOUNDATION
Submitted by Lisa Greenwood

Texas Methodist Foundation ended 2022 with deep gratitude for the many investors, philanthropists, borrowers, and leaders we have been blessed to serve in ministry. In 2022 TMF honored Tom Locke for 33-years of service, awarding him the Medallion of Merit at his retirement celebration in November. Over the last five years, TMF has cumulatively invested over $130.1 million of revenue and endowment distributions in Methodist churches and nonprofits across Texas and New Mexico. During this time of change, and with our new President & CEO, Rev. Lisa Greenwood, we remain steadfast in our commitment to the Northwest Texas Annual Conference of the United Methodist Church, walking alongside congregations, together creating cultures of purpose, generosity, and courage.

Rev. Richard Edwards is Northwest Texas Senior Area Representative and the primary contact and bridge between congregations, clergy and laity, and TMF. As partner in ministry, Richard connects members of the Northwest Texas Conference to relevant resources available at TMF.

TMF serves Methodist individuals, churches, and agencies with the six annual conferences in Texas and New Mexico. We appreciate the opportunity to report some of the ways we served Methodists last year.

Within the Northwest Texas Conference

- Loans to churches in the Northwest Texas Conference totaled $568 thousand at the end of 2022.
- Churches and agencies, not including individuals, within the Northwest Texas Conference had $15.5 million invested in the Methodist Loan Fund.

Throughout Texas and New Mexico

- As of December 31, 2022, total assets under management by TMF were $647.9 million.
- Methodist Loan Fund investments ended the year at $312.2 million, and our loan portfolio at $290.4 million.
- Total gifts to TMF's ministries equaled $1.2 million, including gifts to Leadership Ministry, Grants, and TMF's Undesignated Endowment.
- Total gifts to TMF for the benefit of others ended 2022 at $1.8 million, including all planned giving Endowments, Charitable Gift Annuities, Trusts, Donor-Advised Funds.
- In 2022, the TMF Grants Ministry funded approximately $2.03 million in support of 82 churches and nonprofits. Of that total, TMF granted $1.49 million from its restricted permanent endowment funds, and the remainder from its operating budget.
- TMF's Leadership Ministry works to equip leaders for deep change through conversations of courage, learning, and innovation. Some of these conversations take the form of ongoing peer groups and others as stand-alone conversations around an adaptive issue. These peer relationships offer fresh perspectives, renew their sense of calling and embolden them for courageous leadership.
- In March 2023, TMF hosted Launch 3.0 in Houston, Texas, a gathering of leaders 90+ from around the United States exploring innovative ministry.
- The TMF team of Area Representatives continues to remain steadfast and loyal to those they serve. As walk-beside partners in ministry, the Area Representative team equips and empowers faith communities by providing financial best practices, inspiring cultures of generosity, and cultivating strategies of legacy giving.

TMF Board members previously elected by the Northwest Texas Conference include:

- Mr. Randy Stutes, Lay, serving through 2024 (Plainview)
- Rev. Dr. Todd Salzwedel, Clergy, serving through 2025 (Lubbock)

UNITED WOMEN IN FAITH
Submitted by Carolyn Cobb

October 2021 – Our new year always begins with Fall Planning, a two-day retreat of the conference Leadership Team to make plans for the coming year.

January 2022-Texas Legislative Event was held in-person in Austin as well as virtually. This social and economic forum educates on issues that impact the well-being of Texans, particularly those that can be addressed by the Texas Legislature. The event included visits to legislators. Legislative Event brings together women from every Conference in Texas as well as some women from other denominations.

February – Leadership Development Day was held in Amarillo to educate about all programming of United Women in Faith. For Mission Action, attendees brought supplies requested by the Wesley Foundation at West Texas A&M University, Canyon.

April – Spiritual Growth Retreat attendees gathered at Ceta Canyon for a two-day event led by Rev. Ruby Moultrie.

May – Assembly is the quadrennial world-wide gathering of members and friends of United Women in Faith. Twenty-four countries and all fifty states were represented. More than 1000 participated virtually from home. In Community Gathering as well as workshops and smaller settings, we met new people, gained new ideas and learned more about programming of United Women in Faith. Several from Northwest Texas attended the three-day event in Orlando, Florida; several more participated in the virtual setting. Our faith was inspired and challenged for moving forward.

January – May – Units held a United Women in Faith Sunday at local churches.

July - Mission u, a three-day mission education event, was held in person on Mc Murry University campus in Abilene. Our focus was a combined Spiritual Growth, Social Action, and Bible Study. Other highlights included group devotionals in the dorm, a movie night where we watched Hidden Figures, an extensive and exciting Silent Auction that raised money for mission, a UWF Program Resources display, and great food and fellowship. Our mission project was bringing supplies requested by Amarillo Wesley Community Center, a National Mission Institution of United Women in Faith.

September – Annual Celebration is our cumulative event of the year in which we celebrate our year's work. This two-day event features worship, music, speakers, workshops, fellowship, memorial celebration and closing Communion. Our mission project was bringing items for children as requested by local CASA, Court Appointed Special Advocate.

Our newest endeavor is a forum for spiritual growth and soul care. We call this the Party Line; its namesake is the old telephone party line, but our version is done on a regular basis by Zoom. Each gathering is a one-hour time to chat, a time to share, a time to offer support and stay connected.

We are facing the future with strength and courage. We are prepared to adjust to denominational changes. United Women in Faith and our predecessor organizations have been serving others for over 153 years. We plan to remain a strong group whose focus is organizing for mission and serving the needs of women, children and youth around the world. We are receptive to God's plans and His guidance for United Women in Faith. All our events and programming are open to anyone who wishes to participate – friends, family, all denominations.

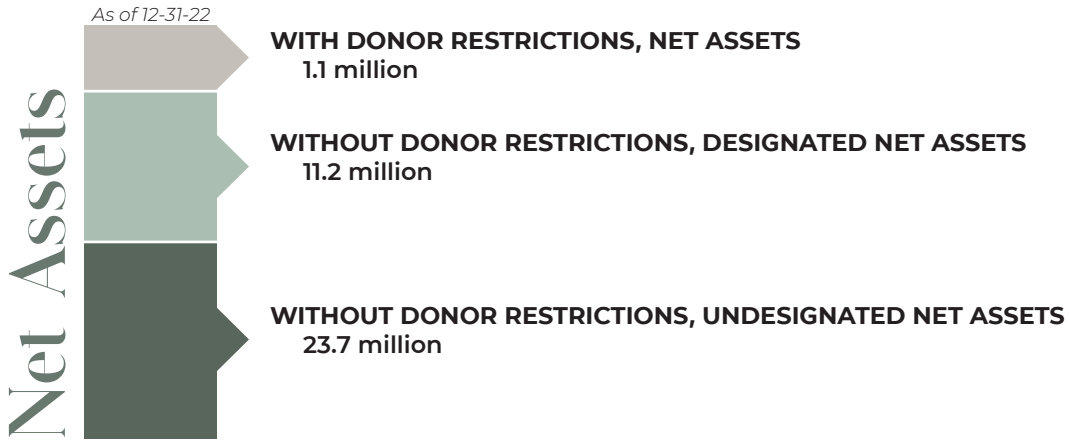
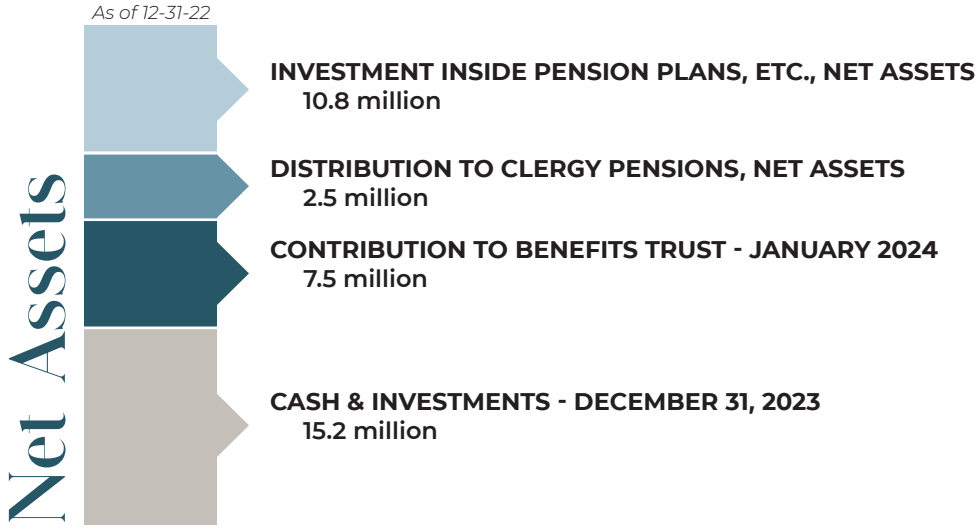
2022 TREASURER'S REPORT

The 2022 Treasurer's Report may look a little different than Treasurer's Reports of the past but know that even amid changes and disaffiliations of churches from the NWTX Conference, the ministry or the Conference and the churches choosing to remain in The United Methodist connection are alive and well! The following report will summarize our financial position as of December 31, 2022, as well as discuss the uses of our reserves in 2023 and 2024.



At the end of 2022, the NWTX Conference had $36 million in Net Assets. All but $1.1 million carried no restrictions on their use.



As of 12-31-22
Net Assets
INVESTMENT INSIDE PENSION PLANS, ETC., NET ASSETS
10.8 million
DISTRIBUTION TO CLERGY PENSIONS, NET ASSETS
2.5 million
CONTRIBUTION TO BENEFITS TRUST - JANUARY 2024
7.5 million
CASH & INVESTMENTS - DECEMBER 31, 2023
15.2 million

Of the total Net Assets of $36 million, $25.2 million was either cash or liquid investments. Those balances were net of a distribution of $4 million in Shared Ministries to conference churches in December 2022. This distribution was part of the Financial Framework approved by the Annual Conference at its June 2022 meeting.

At the December 3rd Special Called Conference, the resolution for establishing and funding the Reserve Trust for Clergy Benefits Plans was approved and the trust was funded with $7.5 million in January 2023.

At that same called annual conference a resolution for the distribution of net assets/reserves of $2.5 million to active and retired clergy pension accounts was approved. That distribution was completed in March 2023.

While Shared Ministries are not being collected for 2023 and 2024, ministry in the NWTX Conference is alive, growing, and thriving! Our Hispanic/Latino Movement continues to expand its reach to 1st and 2nd generations while working towards new ways to reach the 2nd – 5th generations. New Wesley Community Groups are being launched where there may not be a brick-and-mortar United Methodist Church close by. In just the first six short months of their creation, seven (7) communities are meeting, and more are getting ready to launch. The Online Missional Church was established in time for the 2022 Advent season and has over 140 members. McMurry University is celebrating its 100th year, and the NWTX Conference has sent them funding to help finish new building projects they are working on.

While the NWTX Conference may house fewer brick-and-mortar churches than before, we are alive and growing! Ministry is still happening in our Conference. Many of these new ministries currently require little financial resources. However, as elaborated in the 2023 and 2024 spending plans illustrated below, we are aligning our resources to provide resources for new ministry initiatives.

2023 SPENDING PLAN/BUDGET
3.8 million

2024 SPENDING PLAN/BUDGET
4.5 million

LEGACY MINISTRY FUNDING
7.1 million

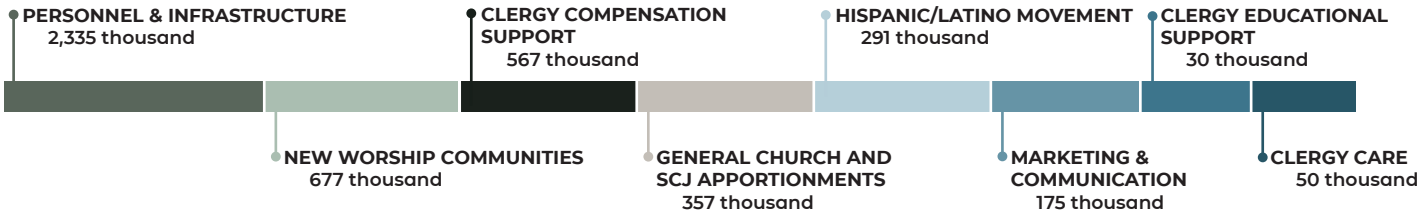
TOTAL CASH AVAILABLE: $15.2 MILLION

The 2023 Spending Plan was approved at the called annual conference on January 9, 2024. The 2024 Spending Plan is presented by the Conference Council on Finance and Administration for the approval of the June 2023 annual conference.

The 2024 Spending Plan reflects no apportioned Shared Ministries to the Conference churches. Consistent with prior budgets, approximately 92% of the anticipated expenditures will go directly or indirectly to ministry.

Legacy ministry funding is being developed and will be presented to the Annual Conference in 2024. Our ministry plan consists of $2.3 million for Conference and District ministry personnel and infrastructure, $0.3 million for Hispanic and Latino ministries, $0.6 million for clergy support in hub or covenant churches for existing and new worship communities, and $0.2 million for communication and marketing, $0.4 for connectional ministries.

2024 Spending Plan - $4.5 million



Our overall spending plans for 2023 through 2024 also include legacy ministry funding that will allow the transformative ministries of this conference to be carried forward to whatever the future may hold. That funding is being developed and will be presented to the Annual Conference in June 2024.

CANDLER SCHOOL OF THEOLOGY
Submitted by Jane Love

Since 1914, Candler School of Theology at Emory University has educated faithful and creative leaders for the church's ministries throughout the world. An official seminary of The United Methodist Church, Candler holds true to the Methodist value of ecumenical openness, enthusiastically welcoming students from more than 42 denominations, with nearly half of Master of Divinity students coming from the Wesleyan tradition, including United Methodist, African Methodist Episcopal, African Methodist Episcopal Zion, Christian Methodist Episcopal, Wesleyan, Free Methodist, Church of the Nazarene, and others. Our student body reflects the diversity and breadth of the Christian faithful, with an enrollment of 417 from 16 countries and 33 states, and 43% persons of color. This diversity is a blessing, enriching our life together and providing a "learning laboratory" for ministry in the 21st century—ministry that cultivates community across difference, welcomes all to contribute and belong, and embodies Christ's love in and among us.

Candler offers six single degrees and ten dual degrees, most of which are available in hybrid or online formats so students can remain rooted in their home communities as they pursue their degrees. Our new hybrid Master of Divinity blending online classes and in-person intensives launches in Fall 2023, and our successful Doctor of Ministry—with its high 87% completion rate—is 90% online. Hybrid and online options are also available in the Master of Religious Leadership and the Master of Religion and Public Life programs. Plus, Candler's Teaching Parish program allows student pastors to earn contextual education credit as they serve their churches. We are excited that these flexible learning formats make a first-rate Candler education possible for even more people who are called to ministry.

Alleviating student debt through generous financial aid is a top priority for Candler. In 2021-2022, we awarded $7.3 million in scholarship support, with 100% of MDiv students receiving aid. All MDiv students who are certified candidates for ordained ministry in the UMC receive full-tuition scholarships, and all MDiv, MTS, MRL, and ThM students receive a scholarship covering at least 50% of tuition. MDiv students also complete a financial literacy program to strengthen their financial and budgeting skills and reduce debt.

Candler was recently honored as one of 16 theological schools to receive a "Pathways to Tomorrow" grant from Lilly Endowment Inc. The $5 million grant will support Candler in establishing a set of initiatives to create an interconnected continuum of offerings for the education of pastoral leaders. This will position Candler as a hub of theological learning with multiple entry points, including The Candler Foundry, our innovative program to make theological education accessible to the public, the United Methodist Course of Study, undergraduate classes, and a new venture, La Mesa Academy for Theological Studies. Set to launch in Fall 2023, La Mesa Academy will offer diplomas in pastoral leadership via a two-year hybrid program with courses in Spanish and English. An optional third year of study will be offered to those aspiring to continue to a graduate professional degree at Candler.

This year, we welcomed the Rev. Dr. Brett Opalinski as Assistant Dean of Methodist Studies, a position made available by the retirement of the Rev. Dr. Anne Burkholder. Brett is an elder in full connection in the Florida Annual Conference and most recently served for nine years as senior pastor of Christ Church United Methodist in Ft. Lauderdale. In addition to other pastoral appointments, he has held a variety of leadership roles in the Florida Conference, including chair of the Board of Ordained Ministry. He is deeply committed to working with students in discerning their call, spiritual formation, and guiding them through the commissioning and ordination process.

Candler's ability to fulfill our mission to provide the church with the faithful and creative leaders it needs depends upon your prayers, partnership, and support. Thank you for the countless ways you advance this essential ministry in the life of our denomination. We invite you to visit us online at candler.emory.edu.

DREW UNIVERSITY THEOLOGICAL SCHOOL
Submitted by David Aponte

Drew educates and mentors pastors, preachers, deacons, activists, teachers, thought leaders, and change agents. In Fall 2022 Drew welcomed 77 new students, and as of February 2023 Drew has a total enrollment of 408 students. Many Drew students are just beginning their ministry, while others come to graduate theological education with substantial ministry experience. The latter reflects a growing trend among all theological schools in the United States and Canada. During 2022, Drew classes met on campus in Madison, New Jersey, but also some classes met exclusively online, while other met in hybrid fashion, i.e., partially online, partially in-person. This was also the case with chapel worship. This reflects both our ongoing emergence from the Covid-19 pandemic lockdown, but also Drew leaning into what it means to be a global school with a global student population. With 35% of students coming from 28 different countries Drew Theological School is truly global and diverse in theology, vocations, age, as well as racial, ethnic, national, and international identities.

Drew's interdisciplinary degree programs foster out-of-the-box thinking, provide real-world apprenticeships, promotes adaptive leadership skills, and encourages innovation through a team-taught core courses reflecting the integration of the theological disciplines and practices characteristic of the life of faith. The faculty articulated shared values are infused across the teaching and learning at Drew: a commitment to anti-racism; gender and sexual-identity equality; eco-sustainability and environmental justice; and interfaith understanding and cooperation. The Theological School has seen an increase in United Methodist students. Moreover, Drew has many United Methodist Global Fellows who chose to pursue education for ministry at Drew. UMC graduates are serving in conferences across the United States as well as in our regional conferences in Greater New Jersey, Eastern Pennsylvania, and New York Annual Conference.

DUKE DIVINITY SCHOOL
Submitted by

Duke Divinity School has continued its commitment to form ministers of the gospel who will seek God's justice and mercy. Our faculty have been leaders in the Duke Climate Initiative participating with colleagues from the Nicholas School for the Environment in the event "Pastoral Care for Climate Change: Weaving Together Science and Theology for Justice," at the Duke University Marine Lab. DDS faculty also co-taught "Let's Talk about Climate Change," and welcomed 30 young faith leaders from various religious traditions to understand better how to engage their faith communities in the fight for our climate.

The Office of Black Church Studies, commemorating its 50th anniversary, hosted "Justice Ministry Reimagined: Reentry Simulation" for pastors, students, and lay leaders to learn more about supporting people reentering the community after incarceration. We launched the Prison Engagement Initiative with the Kenan Institute for Ethics. Divinity faculty taught a "Trauma Engaged Duke" seminar and led the team Developing Best Practices for Trauma-Informed Teaching and Learning.

This fall, we welcomed 226 entering students from 35 different states and eight other countries. The Master of Divinity program gained 88 residential students and 42 in the hybrid program. The Master of Arts in Christian Practice enrolled 13 new students; the Doctor of Ministry, 28; Master of Theology, six; Master of

Theological Studies, 22; the Doctor of Theology welcomed six. The Certificate in Theology and Health Care welcomed four residential students and 16 in the hybrid program. Across all degree programs, 30 percent of the incoming class identified as a race or ethnicity other than white. Fifty-seven percent of students in the incoming class are female.

The school continued its rich tradition of ecumenical engagement, with Dean Colón-Emeric participating in the Methodist-Roman Catholic International Commission Dialogue meeting with Pope Francis. Student Eliza Love, M.Div.'23, was awarded the $10,000 Bossey Institute scholarship from the UMC Council of Bishops to attend the World Council of Church Ecumenical Institute.

Three new associate deans have accepted appointments: Daniel Castelo as associate dean for Academic Formation; Jung Choi as associate dean for Global and Intercultural Formation; and Sangwoo Kim as associate dean for Vocational Formation. Linda Coley has also joined as the executive director for the Ormond Center.

The Ormond Center launched the Community Craft Collaborative to create resources for equipping lay and congregational leaders. The Certificate in Conflict Transformation and Reconciliation provides an opportunity for pastors and other church leaders seeking theological and practical skills to foster reconciliation in their congregations and communities. We expanded our connection to UMC colleges through a partnership with Wesleyan College in Macon, Ga., to enable qualified undergraduates to take courses through the Duke Accelerated Pastoral Formation Program. The Clergy Health Initiative supports healthy practices for vibrant ministry.

Convocation & Pastors' School returned to an in-person format for the first time since 2019 with the theme, Creativity & Courage: From Trauma to Tough Hope. Professional dancers, visual artists, musicians, and scholars guided participants in facing brokenness and sin honestly and offered glimpses of "the beauty of holiness."

MCMURRY UNIVERSITY
Submitted by David Aponte

As McMurry University celebrates its Centennial, words like growth, advancement, progression, and development characterize the vibrant ethos of the campus. The University kicked off the celebration last September during Convocation, and it will continue through Homecoming 2023. This fall, a group of alumni, employees, and community members and their families planted the new iris garden, which is named in honor of long-tenured professor Pug Parris. In January, the University announced the McMurry 100, a list of people who, without their contributions, we would not be celebrating the Centennial. Names on the list include McMurry founder, Dr. J.W. Hunt; Methodist bishops Alsie Carleton and Dan Solomon; Methodist minister the Rev. Dr. J.T. Griswold; and University chaplains the Revs. Dr. Bert Affleck and Johnnie Kahl, as well as Dr. Robert Monk, known as McMurry's unofficial chaplain for many decades. We believe these names highlight the close relationship McMurry has always had with the Methodist church, and we are honored to continue that partnership. See the full list at https://mcm.edu/centennial/mcmurry-100.

Religious and Spiritual Life has maintained strength and value at McMurry. Mission trips resumed after a pause during the pandemic. A team of 12 students and two advisors traveled to Florida to serve as volunteers at Give Kids The World Village. Eleven students and three sponsors will be traveling to Puerto Rico in May with Community Collaborations International to work on hurricane relief, community resiliency, and environmental projects. We introduced our Emergency Aid Service, which provides students with essential needs. And we continued our partnership with Lydia Patterson Institute; two students will be graduating in May from McMurry and two others will start at the University this fall.

In June 2022, McMurry broke ground on the reimagined Shirley L. and Mildred Garrison United Methodist Student Center, scheduled to open in fall 2023. McMurry acquired the management of the Hunt and Martin residence halls and began construction on new apartments, and our current apartments are being renovated this summer. These significant investments point to the commitment of the University to enhance the student experience.

Work has begun on a new strategic plan that includes campus listening sessions with faculty and staff to discuss ideas as we prepare the Second Century pillars of McMurry's future.

McMurry has new academic programs:

- Lift Off invites STEM students to campus early to complete course credit and mentorship.
- The cybersecurity major is now available both fully online and blended (online and in person).
- A new public health major and a new associate of science in general studies have been added to the curriculum.
- The Dual Credit Academy is growing.
- A National Science Foundation STEM grant will launch in summer 2023.
- Funding from the Texas Higher Education Coordinating Board will help strengthen the War Hawk Success Center academic success coaching model.

As we celebrate our Centennial and look toward the next 100 years, McMurry will continue to embrace growth on our campus and in our community. A major element of McMurry's growth has been due to alumnus and University Chaplain the Rev. Marty CashBurless, who will have completed six years of service to our students when she retires this June. She has shepherded McMurry through celebrations, successes, and tribulations, including the global pandemic. She is a valued member of the President's Cabinet and the Diversity Council, not to mention many other groups that have sought her wisdom. To paraphrase 2 Timothy 4:7, Marty has "fought the good fight, finished the race, and kept the faith."

PERKINS SCHOOL OF THEOLOGY
Submitted by Bishop Michael McKee

Perkins celebrates our vital connections with the Northwest Texas Annual Conference of The United Methodist Church.

Enrollment Update
Enrollment at Perkins for the 2022-23 academic year totaled 257 students. The hybrid Houston-Galveston Extension Program, in its fifth year of providing a combination of online and residential classes leading to the M.Div. and M.A.M. degrees, totaled 96 students during the 2022-23 academic year.

Institutional Highlights

- Craig C. Hill, who became the 11th dean of Perkins School of Theology in July 2016, retired as dean December 31, 2022, due to medical reasons. Hill will remain a member of the Perkins faculty until December 31, 2023.
- Bishop Michael McKee began his service as Dean of Perkins School of Theology ad interim effective January 1, 2023. He will serve until a permanent dean has been named. Bishop McKee previously served as episcopal leader of the North Texas Annual Conference since his election by the South Central Jurisdiction in 2012.
- The inaugural William J. Abraham Memorial Lecture took place Oct. 17 in Perkins Chapel, with Dr. Fred Aquino delivering the lecture and a reception following in the Blue Room in Bridwell Library. Bridwell Library (SMU Libraries) and Perkins School of Theology established the

annual Memorial Lecture to engage in a topic related to Abraham's work of the scholar's choosing.

- Bishop Ruben Saenz Jr. (M.Div. '97; D.Min. '09) was honored as the 2022 recipient of the Perkins Distinguished Alumnus/a Award. He currently serves as episcopal leader of the North Texas and Central Texas annual conferences.
- Perkins is continuing its curriculum review process, chaired by Dr. Rebekah Miles, as it seeks refinement in its degree programs that will enhance flexibility for students while also providing opportunities to engage with the school's degree concentrations. We hope to implement the revised curriculum beginning Fall 2024.
- The University Senate of the General Board for Higher Education and Ministry provided SMU and Perkins School of Theology a positive recommendation with regard to institutional integrity, well-structured programs, sound management and clearly defined church relationships.
- Dr. Rebekah Miles and Dr. Ted Campbell were formally installed as the holders of two endowed chairs: Miles as the Susanna Wesley Centennial Professor of Practical Theology and Ethics and Campbell as the Albert Cook Outler Professor of Wesley Studies.

The highlights listed above are reflective of the vibrant engagement of Perkins faculty, staff and students. Our mission is to equip persons for faithful leadership and Christian ministry in a changing church and society; to educate those seeking a deeper understanding of the Christian faith; and to strengthen the church, academy, and world through service, scholarship, and advocacy. We thank our many colleagues, friends and alumni in the Northwest Texas Annual Conference of The United Methodist Church for your generous support, including referrals of prospective students.

SAINT PAUL SCHOOL OF THEOLOGY

Submitted by Neil Blair

Educating tomorrow's leaders by offering on-campus, online, and hybrid learning courses at a FLEXible schedule, Saint Paul School of Theology is a seminary serving a diverse community committed to the formation of people for innovative, creative ministry through rigorous academic life. Grounded in the academic study of faith and ministry, theology is practiced in a traditional classroom and in remote spaces. Our contextual curriculum features Ministry Collaboration Groups, Practicums, Spiritual Formation Retreats, and Seminars. Students learn from dedicated faculty, experienced pastors, and community leaders about best ministry practices leaving our graduates with the tools and first-hand experience necessary to meet the needs of a changing world.

We continue to implement the changes the last few years have integrated into our daily lives. Our weekly chapel service utilizes a hybrid format, where participants may join in-person or online, allowing staff and students to come together as one institution where all are invited to create a sacred atmosphere from wherever they are. In addition, Saint Paul offers weekly Spiritual Formation allowing students to engage in spiritual practices led by Rev. Jen Logsdon-Kellogg. Some practices will take us outdoors or to other sacred spaces, and others will have us connect with community leaders.

Saint Paul welcomed over 30 new students for the 2022-2023 academic year. Enrollment remained solid for the Master of Divinity (MDiv) degree program with promising growth on our Oklahoma campus. With COVID-19 restrictions lifted yet monitored, prospective students returned to in-person visits on both campuses, experiencing community meals, worship, and the newly implemented "Hammock ministry" on the Oklahoma campus. The Admissions team continues to expand travel to meet new students, including the Carolinas, Washington, D.C., and various parts of Texas.

This year we have focused on strengthening the Master of Arts in Christian Ministry by creating two specializations: Women, Society, and Church; and Social Justice and Advocacy. In each case, the student takes 22 hours of MACM required courses, and then the remaining 12 hours of the degree are comprised of courses focusing upon the specialization. The two existing specializations, Prophetic Witness and Service; and Deacon Ministries, will continue to be offered as well. The Women, Society, and Church Studies specialization is also available in the MDiv program, as is a specialization in Wesleyan Studies.

Saint Paul staff and faculty continue contributing to the academy, church, and society. This year, we welcomed Rev. Dr. Sharon Betsworth as our new Vice President for Academic Affairs and Dean and Professor of New Testament. The faculty of Saint Paul School of Theology maintains high standards of scholarship, research, publication, and engagement. Over the past year, their many activities and publications have been so numerous that space permits only sharing selected highlights.

- Rev. Dr. Sharon Betsworth co-authored a journal article with Julie Faith Parker, "'Where Have All the Young Girls Gone?' Discovering the Girls of the Bible through Childist Analysis of Exodus 2 and Mark 5–7," in Journal of Feminist Studies in Religion 38, no. 2 (Fall 2022).

- Dr. Casey Sigmon, Assistant Professor of Preaching and Worship and Director of Contextual Education, was the keynote speaker for the United Methodist Church Missouri Preaching Academy "Offering the Word to a Digital World." She published "Failure to Discern the Online/Hybrid Body: A Captivity of the Eucharist" for the special issue of Currents in Theology and Mission: Eucharist and Online Worship: Toward Extended Theological Reflection, vol. 50, no. 1 (2023) and published the chapter "Liturgical Authority and the Table in the Christian Church (Disciples of Christ)" in Liturgical Authority in Free Church Traditions, edited by Sarah Johnson and Andrew Wymer, Calvin Worship and Witness Series.

- Dr. Joshua Bartholomew, Assistant Professor of Ethics, Church, and Society, led a "Race, Liberation, and Political Economics" series at Second Presbyterian. He also spoke at The Open Table KC on "Race, Liberation, and Economics."

- Dr. Amy Oden, Adjunct Professor of Early Church History and Spirituality, was a guest speaker at numerous events around the country this year, including at a Five Day Academy for Spiritual Formation in Oklahoma, the Beyond Conference in St. Louis, and the Academy for Spiritual Formation in Alabama.

In October, Saint Paul hosted a forum on "Innovative, Creative Ministry" featuring alumni Matt Austin '18, Fabian Gonzalez '20, Bo Ireland '18, Matt Patrick '18, & Abby Peper '22, with each sharing their personal stories of innovation in ministry. In November, Saint Paul Evangelical Society, led by Dr. Israel Kamudzandu, hosted a forum given by Rev. Mike Slaughter, former lead pastor at Ginghamsburg Church, on "Spiritual Awakening: the here and the not yet." Later in the year, the Evangelical Society hosted a lecture featuring Dr. Cheryl Bridges Johns, Visiting Professor of Pentecostal Studies and Director of the Global Pentecostal House of Study at United Theological Seminary. And on May 12, Saint Paul again held a hybrid commencement celebration via Zoom, allowing graduates to come together from both campuses with attendees viewing from around the country. During the ceremony, we honored the 2023 Distinguished Graduate Award Winner and Commencement Speaker Bishop Delores J. "Dee" Williamston.

Saint Paul Board of Trustees changed leadership this year as long-time faculty and board member Rev. Dr. Tex Sample concluded his term as chair of the Board. Dr. Amy Hogan, Professor of Education and Dean of the School of Education at Ottawa University, has succeeded him as chair. Dr. Hogan possesses a deep reservoir of experience in teaching, research, and accreditation. In response to President Neil Blair's announcement that he will retire on December 31, 2023, Dr. Hogan appointed a search committee composed of faculty, staff, students, and trustees charged with

identifying Saint Paul's next president. The search committee is currently conferring with Saint Paul's constituent groups to prepare the position prospectus that will describe Saint Paul's needs and aspirations to candidates.

In September 2022, Saint Paul School of Theology hosted a review team from the Higher Learning Commission (HLC), one of Saint Paul's primary accreditation agencies, as part of the Seminary's regular reaffirmation cycle. On November 18, 2022, the Higher Learning Commission notified Saint Paul that the Commission "continued the accreditation of Saint Paul School of Theology with the next Reaffirmation of Accreditation in 2028-2029." The Seminary's Board of Trustees also devoted considerable time to improving its governance capacity. For example, in April 2022, trustees invested a significant portion of their meeting in a facilitated Emotional Intelligence and Trust-Building workshop. The workshop was led by Gail Parker, a noted management consultant who has worked with clients such as KPMG, Goldman Sachs, and Disney, among many others. In October 2022, former executive director of the Association of Theological Schools, Dan Aleshire, offered an overview of demographic and enrollment trends in the nation's seminaries, focusing on how those trends affect institutions' diversity, equity, and inclusion initiatives. As these activities suggest, the Board remains deeply committed to enhancing its capabilities to guide Saint Paul effectively and knowledgeably.

We are happy to report that Saint Paul School of Theology is financially sound. We operate with a balanced budget, no debt, and an endowment 9-10 times the size of our annual expenses. As always, we continue to be grateful for donations from the community that provide technology, scholarships, and evolving academic programs to students. As of the close of 2022, over one hundred alumni and friends of Saint Paul contributed more than $60,000 to create the Tex and Peggy Sample Endowed Scholarship Fund honoring the life and work of Tex and Peggy Sample. Sustainability has been our focus over the past five years, and we have achieved our goal. Investments in our future bring exciting new opportunities for our students, staff, and faculty. Our significant technological investments have allowed us to maintain a hybrid educational delivery model providing a flexible working arrangement for our students.

We are continuing to enhance our partnership with Zoom and Neat. Late last Spring, in conjunction with our Neat Board electronic whiteboards and Neat Bars, we implemented Neat's newest product, their Neat Bar Pros, in our large classrooms. These new bars are designed to offer a superior video and audio experience in large spaces and the ability to output to multiple large screens to enhance the overall classroom experience significantly. We have rolled out additional Zoom Room Neat Boards in numerous common areas to encourage ad-hoc use of the technology for breakout groups and other miscellaneous meetings between our two campuses and remote students. One of the best features of this technology is its ability to receive automatic real-time over-the-air features upgrades. Several significant enhancements have rolled out this past year, including improved voice cancellation, Zoom Room Breakout Groups, real-time Closed Captions with transcripts, and updated use of AI to split each in-classroom student into their individual zoomed-in Zoom window. In addition, our Neat equipment continuously monitors several environmental factors within our classrooms; air quality, temperature, humidity, VOC, and CO2, as well as being able to tell if the classrooms are occupied and how many individuals are in the room. We can also monitor the audio/video quality and network connectivity in each of our classrooms, as well as the connection quality for all remote students attending the class. We are excited about the additional enhancements that will come to our classrooms from Neat and Zoom over this next year and look forward to our continued partnership with Neat and Zoom on this groundbreaking technology.

Saint Paul School of Theology is blessed to be your partner in ministry and help those seeking to discover more and answer the call. We are grateful for your support of our students and our seminary. May we continue to live into the call of Jesus Christ to be faithful witnesses for generations to come.

Southwestern University continues to rank among the best liberal arts institutions in the nation. In 2022, Southwestern rose 13 places in U.S. News & World Report's Best Colleges rankings, the biggest single-year jump in school history. The publication ranked the University 85th among national liberal arts colleges and first among national undergraduate liberal arts colleges in Texas. Southwestern also ranked 44th in the social mobility category, which measures how well schools graduated students who received federal Pell Grants.

More than 250 students, mentored by 52 faculty and staff, led panels, presented posters, gave performances, and set up exhibitions during the 23rd annual Research and Creative Works Symposium. Southwestern recognized the class of 2022 during its Commencement Convocation in May, with Southwestern alumna and applied mathematician Cassandra M. McZeal '92 serving as the keynote speaker.

Ratification of Trustees

As stated in the University By-Laws, "Conference trustees are nominated by the University's board of trustees, upon recommendation to the board's trusteeship committee, and elected by their respective conferences." Conference confirmation of "trustees at large" is no longer required by the By-Laws.

There are no trustees requiring ratification by the Northwest Texas Conference.

Conclusion

I would like to take this opportunity to personally invite you to visit Southwestern and experience, in person, our vibrant intellectual community.

Drew educates and mentors pastors, preachers, deacons, activists, teachers, thought leaders, and change agents. In Fall 2022 Drew welcomed 77 new students, and as of February 2023 Drew has a total enrollment of 408 students. Many Drew students are just beginning their ministry, while others come to graduate theological education with substantial ministry experience. The latter reflects a growing trend among all theological schools in the United States and Canada. During 2022, Drew classes met on campus in Madison, New Jersey, but also some classes met exclusively online, while other met in hybrid fashion, i.e., partially online, partially in-person. This was also the case with chapel worship. This reflects both our ongoing emergence from the Covid-19 pandemic lockdown, but also Drew leaning into what it means to be a global school with a global student population. With 35% of students coming from 28 different countries Drew Theological School is truly global and diverse in theology, vocations, age, as well as racial, ethnic, national, and international identities.

Drew's interdisciplinary degree programs foster out-of-the-box thinking, provide real-world apprenticeships, promotes adaptive leadership skills, and encourages innovation through a team-taught core courses reflecting the integration of the theological disciplines and practices characteristic of the life of faith. The faculty articulated shared values are infused across the teaching and learning at Drew: a commitment to anti-racism; gender and sexual-identity equality; eco-sustainability and environmental justice; and interfaith understanding and cooperation. The Theological School has seen an increase in United Methodist students. Moreover, Drew has many United Methodist Global Fellows who chose to pursue education for ministry at Drew. UMC graduates are serving in conferences across the United States as well as in our regional conferences in Greater New Jersey, Eastern Pennsylvania, and New York Annual Conference.

UNITED THEOLOGICAL SEMINARY
Submitted by Kent Millard

United Theological Seminary celebrated rising enrollment in the 2022-2023 academic year. In the previous year, 464 students were enrolled at United; in 2022-2023, the seminary is serving 541 students, a 17% increase. A diverse community of many denominations, races, and nationalities, United welcomed students from 36 states, 21 countries, and 43 denominations, with 42% of students identifying as United Methodist.* The Seminary prepared 103 Course of Study students** and served 10 students through the Hispanic Christian Academy, a 3-year online course of ministry program for Hispanic/Latino lay pastors and leaders serving United Methodist congregations.

Houses of Study
In large part, this enrollment growth is a result of the seminary's House of Study initiative, which is supported by a $1 million grant from Lilly Endowment Inc.'s Pathways for Tomorrow Initiative. As of 2022-2023, the Seminary has established five Houses of Study:

- Fresh Expressions, directed by Dr. Michael Beck;
- Full Gospel Baptist Fellowship, directed by Bishop Lisa Weah;
- Global Methodist, directed by Rev. Gregory Stover;
- Global Pentecostal, directed by Dr. Cheryl Bridges Johns;
- and Hispanic, directed by Dr. Jorge Ochoa.

The largest of these is the Hispanic House of Study (Casa de Estudios Hispana), with all classes taught by Spanish-speaking professors to Spanish-speaking students. Nearly 50 students from across the United States and Latin America, including students from Mexico, Cuba, Columbia, and Peru, started the online program in the 2022-2023 academic year.

United is preparing to launch three new Houses of Study in the 2023-2024 academic year: a Korean House of Study, taught 100% in Korean for Korean-speaking students, led by Dr. Seok Jae Jeon; an African Methodist Episcopal Zion House of Study led by Bishop Eric Leake; and a Global Lutheran House of Study led by Dr. Richard Blue, Dr. Tom Thorstad and Dr. Dan Landin.

Doctor of Ministry
The Seminary is also seeing growth in its Doctor of Ministry program. In 2022-2023, the Doctor of Ministry program has grown to 250 students, an increase of 32% over the past five years.* Doctoral students at United are actively engaged in ministry and seeking to become more effective leaders for the Church through a Doctor of Ministry degree.

Bishop Bruce Ough Innovation Center
Launched in Fall 2021, the Bishop Bruce Ough Innovation Center, directed by Rev. Sue Nilson Kibbey, is connecting with pastors, ministry leaders, and congregational members hungry to bring God's renewal to their faith communities. In the past year alone, the Innovation Center has engaged more than 1,000 participants through more than 40 live webinars, training events, and courses.

Billy Libby
April 10, 1937 - January 7, 2023

Billy W. Libby, 85, passed away on January 7, 2023 at home in Abilene after a brief battle with cancer. Funeral services will be held Saturday, January 14, at 2:00 pm at St. Paul United Methodist Church with Bob Monk and Benji Van Fleet officiating. A reception will follow at the church for all who would like to join in celebration of Bill's life. Visitation will be at The Hamil Family Funeral Home on Friday, January 13, from 5:00 to 7:00 pm. Bill will be laid to rest alongside his wife, Amy, at Arlington National Cemetery in Washington, D.C., later this year. Services in Abilene are under the direction of The Hamil Family Funeral Home, 6449 Buffalo Gap Rd. Bill was born in Barnsdall, Oklahoma to Iva Leona Clapp and Lewis

Libby on April 10, 1937. He was the third of four children and was valedictorian of Skelly Grade School before attending and graduating early from Dumas High School. He then attended Texas A&M University where he played the French horn in the Fighting Texas Aggie Band and became the Chaplain of the Band and the Corps Chaplain in his senior year. He obtained his Master of Divinity from Drew Theological Seminary, where he met and later married Amelia Ann Dunkle on September 9, 1961 in Wilmington, Delaware. Bill also obtained an M.A. in American Diplomatic Studies from Kansas State University. He worked towards a Ph.D. in American Studies from the University of Maryland but chose not to complete this program when his wife was diagnosed with cancer. Shortly following their wedding, Bill and Amy began their worldly adventure together on their first assignment at Fort Bliss, followed soon thereafter by assignment in Dachau, Germany. Bill served in the United States Army for 30 years, advancing to the rank of Colonel, and serving soldiers and their families around the world as a Methodist Chaplain, teacher, mentor, coach, and guide. Bill served in Vietnam and was awarded the Bronze Star with a V for Valor, for his ministry to soldiers during combat. He served with the 101st Airborne Division and was present during the Tet Offensive and battle of Hue. An Associated Press photo of Bill conducting a field funeral after Hue was featured in books about the Tet Offensive as well as in the Ken Burns documentary film about Vietnam. During his military career, his family moved frequently, from Kansas to New Jersey to California and back to Germany with stints in several other locations as well. His last assignment was teaching Ethics and History at the National Defense University in Washington, D.C. Following his military retirement, he returned to the Northwest Texas conference of the United Methodist Church as Associate Pastor at St. Paul United Methodist Church where he remained an active member until his death. He took a brief assignment at Plum Street UMC in Abilene during this period. While at St. Paul, Bill founded and led an active Sunday School class, the Pathfinders, comprised mostly of Vietnam-era veterans, their spouses, and others who wanted to be part of Bill's ongoing ministry to Veterans and their families. Bill's second career was as a professor and coach at McMurry University, beginning in 1991. During his 20-year tenure, he was frequently ranked the favorite and "most influential" faculty/staff member by graduating students. Bill was an avid marathon runner himself and founded and endowed the cross-country running program at McMurry. He also held the position of Athletic Director for a short time. Bill was always present at McMurry games in all sports, both at home and away, enjoying traveling with students on the team busses all around the American Southwest conference. Bill never missed a chance to support McMurry students and is remembered fondly by thousands for his Old Testament and History classes, refreshments he delivered to games, donations he made for uniforms and facility improvements, and countless hours of coaching and encouragement. For years Bill participated in and led biblical and archaeological digs in Jordan, taking students and church members with him. He also led tours of the Holy Land for church and other people in Abilene. He hosted tours of John Wesley's London and taught the history of the founding of the United Methodist Church. From 2005-2017, Bill co-hosted the radio show "The Professors" with Paul Fabrizio on KWKC. Bill was preceded in death by his mother, Iva Gray, and his "Pop" Sumner Gray; wife Amelia "Amy" Libby; sister "Boots" Wiseman and husband Bill; brother Bobby Dwayne and wife Ruby. He is survived by his children, Susan Elizabeth of Seattle, Michael Brent of Maryland and wife Dawn, Margaret Ellen "Meg" of Seattle; brother Frances "Dusty" Libby and wife Janet; and grandsons Ryan, Jackson, Sullivan, and Aiden. Pallbearers will be members of the Pathfinders Sunday School class of St. Paul United Methodist Church. In lieu of flowers, memorials may be made to benefit the Methodist Food Pantry of Abilene, the Methodist Minister's Retirement Fund, or McMurry University. Memories may be shared and condolences submitted online at www.HamilFamilyFuneralHome.com.

Howard Quiett

Kevin Raymond Riehle
December 11, 1956 - September 8, 2022

Kevin Raymond Riehle, our beloved husband, daddy, Papa, son, brother, mentor, teacher, composer, maestro, friend - left this earth on Thursday, the 8th of September 2022 to spread his music even wider and direct the choirs of the heavens. He was 65 years of age.

Kevin's passing leaves a deep hole of grief and an even greater well of gratitude for all he was, everything he gave, and the legacies he left behind.

Kevin made music his entire life, from the grand to the intimate, from Ohio to New York to England and France, and across Texas for 40 years. He was the director of the parish choir at St. Martin's Episcopal Church, the founder of Cantare Houston, and had recently retired as the director of choral activities at Taylor High School, where he shaped the lives of countless students for 14 years. He was an accomplished composer and published numerous works for choirs young and old, great and small. He directed choirs at Carnegie Hall, in all corners of Texas, throughout the country and across Europe, always with the same passion and energy for not just the music, but the singers themselves.

He loved many things, but his passions were his family, his wife and kids, music, walking with his dog Chloe, doing the crossword in pen!, poetry, mandelschnitten cookies, the Astros, reading the New Yorker, and awful dad jokes; but probably greatest of all, his grandkids. He was a loving, adventurous, hilarious, and generous Papa and they will miss beating him at Yahtzee, swinging endlessly with him on the front yard swing, watching movies, pounding on the piano together, laughing and wandering through wooded and concrete trails.

Kevin was born the 11th of December 1956 in the small farm town of Edgerton, Ohio to Ray and Joan Riehle, the oldest of 5 siblings, where music, family and faith were central to everything. A graduate of Ohio Northern and Southern Methodist Universities, Kevin created a lifetime legacy of growth and excellence in worship through music that took him from Edgerton to Dallas, Lubbock, Tyler and finally Houston in 1996.

Kevin is survived by his beloved wife Norma, his children Lindsey Rae and Barksdale Hortenstine, Kim and Chris Greene, Kurt and Mariana Wallace, Dena and Robert Wang, and Mitchell Wallace; and his 7 grandchildren Hanna Ray; Olivia Ray and Dylan Jane; Juniper, Cecily and Lyric; and William; and his constant companion Chloe. He is also survived by his mother Joan Riehle of Edgerton, OH, his siblings Karyn and Tom Schneider, Kristine and Jerome Bartley, Kermit and Denise Riehle, Kyle and Trish Riehle, and 11 nieces and nephews. He was preceded in death by his father Raymond Riehle.

Kevin once said, "the question is not how much you love, but simply, if you love." He epitomized love. His love leaves us more confident and a bit brighter and with the knowledge that the proper time to clap is on beats 2 and 4, the time to punch down the bread dough, why Blue Bell ice cream will always reign supreme, that it's never too late to start something new (even if it's hard), that love, compassion & empathy should guide us, and with a profound appreciation for the value of music & its omnipresent impact in our daily lives.

A memorial service and celebration of Kevin's life is to be conducted at two o'clock in the afternoon on Monday, the 19th of September, in the sanctuary of St. Martin's Episcopal Church, 717 Sage Road in Houston, where The Rev. Dr. Russell J. Levenson, Jr., Rector, and The Rev. John R. Bentley, Pastoral Associate, are to officiate..

David Robertson
June 28, 1933 - March 2, 2023

ROBERTSON, David David Hearne Robertson died on March 2, 2023, at 89 years old as a result of complications from a fall that occurred while on a walk in his neighborhood. David was born on June 28, 1933, in McAllen, Texas ("in the same hospital where Tom Landry was born"). After growing up and graduating from high school in Weslaco, Texas, David graduated from Southwestern University in 1955, where he was an active member of Phi Delta Theta and sang in the Southwestern Choir. In 1959, he graduated from Southern Methodist University School of Divinity. Also in 1959, David met a pretty woman at a square dance in Corpus Christi named Margie McCleskey. They were married on August 14, 1959, when they began over 63 years of married partnership. David was ordained as a minister in the Methodist Church and served Methodist and United Methodist congregations in Agua Dulce; Hebbronville; Lytle; Kingsville; Amarillo; Kansas City, Missouri (where he earned another divinity degree from St. Paul School of Divinity); Lubbock; Snyder; Levelland; Artesia, NM; Big Spring; and Lubbock (again). David and Margie have three children, Perry (Kelly), Mark (Derek), and Lynne (Mark) and two grandchildren, Emilye and Elliot Webb. Over their 63 years of marriage, David and Margie travelled throughout the United States, most often driving and pulling a camper trailer. David loved playing games (particularly dominoes), spending time with his family and friends, woodworking, singing in his church choir, and volunteering. A Memorial Service will be held at First United Methodist Church in Richardson, Texas. The date of the memorial service is pending.

Robert M Wert
December 14, 1935 - February 12, 2023

Robert M. Wert, 87, of Lubbock, Texas, passed away February 12, 2023, with his loving daughters, Kim and Pam, by his side. Bob was born December 14, 1935, to Robert and Mildred Kimbrough Wert in Lawrenceburg, Tennessee. He graduated from E.C. Glass High School, Lynchburg, Virginia, in 1956 and received his Bachelor of Music from Westminster Choir College, Princeton, New Jersey, in 1960. He met the love of his life, Julie Coleman Dunning, at Westminster, and together they toured the United States with the choir and performed with the New York Philharmonic under Bruno Walter and Leonard Bernstein, as well as the Philadelphia Orchestra and the Chicago Symphony. Bob and Julie married after graduation, and he described their wedding as "the best event of my life." They shared a happy marriage until her death on June 27, 2017.

Bob's life was molded by and around family, God, the church, and music, which became his passion and life-long ministry. He grew up in Dog Branch, TN, then moved to the Washington, D.C., area where he remembered how everything changed overnight after Pearl Harbor. He grew up Presbyterian, and his parents always had ministers for Sunday dinner, including Norman Vincent Peale. The family settled in Lynchburg, Virginia, where he learned the value of hard work and long study. Bob took up the trumpet when his grandmother paid him to practice, and he started singing as a junior in high school when Mrs. Owen, the choir director at Rivermont Presbyterian Church, discovered his beautiful, operatic bass voice with a remarkable range. Bob always said singing was easier than playing trumpet, although he did play his trumpet in the East Room of the White House.

He started his music ministry in New Jersey while he was at Westminster. After graduation, he served at First United Methodist Church in Clarksburg, West Virginia. After a year, he and Julie moved west (she was from Oklahoma), and there began his 45 years of ministry as a choir director in the Northwest Conference of the United Methodist Church in Texas. He served churches in Lubbock, Hereford, and Amarillo. Bob found a mentor and good friend in Rev. Clifford Trotter at First UMC in Hereford, and said he taught him how to be a "total churchman" by being involved in all areas of church ministry. In 1978, the Wert family moved back to Lubbock where he served the rest of his career as the Director of Music Ministries at St. Luke's UMC. In 1997, when the UMC began ordaining diaconal ministers, he was one of the first and was ordained by Bishop Alfred Norris. He served with several pastors and built one of the largest church music programs in Lubbock with over 300 weekly participants at its peak. It takes a very special person, a Bob Wert, to be able to personally direct all the choirs: preschool, elementary, youth, adults, as well as orchestra and bells. A special favorite of his was the annual summer musical, open to elementary age children throughout the city, which he saw as outreach to the community. He retired from St. Luke's on July 1, 2006.

Bob was a renaissance man with a life-long thirst for knowledge and the master of many talents. He had many hobbies, including painting, photography, doing radio and television "voice-overs" (after all, he had the deep "God" voice), and "Jeeping" in Colorado every summer with his family.

Though you never saw him not wearing a suit and tie or church robe, he wore jeans in his beloved Jeep. As a photographer, Bob had several award-winning photographs to his credit and has sold over 200 framed photographs over the years, mostly in the Dallas area. He always emphasized the word "hobby" with his photography, though he was truly a professional.

Loved ones include his devoted daughters, Julie Kimbrough "Kim" Wert and Pamela Dunning Wert, and sister and brother-in-law, Sandra Wert Tate and Lyndon Tate, and the thousands he touched through his music ministry.

A celebration of his life will be held at 3:30 p.m., Monday, February 20, 2023, at St. John's UMC, 1501 University Avenue in Lubbock.

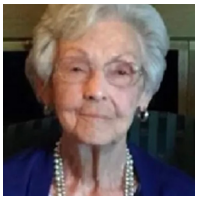
Bobbie Foster
May 5, 1928 - March 16, 2023



Bobbie Lou Foster passed away peacefully at her home on Thursday, March 16, 2023. She was 94.

Her life will be celebrated in a memorial service Monday, March 20, 2023, at 2 p.m. in the chapel of First United Methodist Church in Lubbock, with the Rev. Dr. Shera Atkinson and Rev. Ruby Moultrie serving as clergy.

Bobbie was born May 5, 1928, at Merkel, Texas, to Truman and Beatrice Kent. She grew up on a farm in the Oklahoma Lane community, where she graduated from high school in 1945 before attending McMurry College.

She married Billy Joe Foster in January 20, 1946, when he returned from service in World War II, and the young couple began a career in farming. In 1958, B.J. was called to the ministry. Together they served in many pastorates of the Northwest Texas Conference of the United Methodist Church.

In his career of ministry, they served at Bethel in Anson, Caps, Adrian, Darrouzett, Knox City and Anton. They settled in Lubbock when he retired from the ministry in 1975.

Bobbie was both creative and artistic, and she utilized those talents in many ways. She was an accomplished pianist playing wherever she was needed in churches served. She was a painter and captured images of her upbringing, her view of the world and her love of flowers and gardening.

But she was most prolific in her love of quilting. She was a longtime member of the St. John United Methodist Quilting group. In the countless quilted creations that came from her hands were her expressions of art, order, faith, family and nature, woven together into works of art that offered comfort, warmth and meaning.

Bobbie also pursued other interests by working in a variety of jobs over the years. An avid reader, she found joy while working in the bookshop at Hemphill-Wells. She also partnered with B.J. in operating Lubbock Turf Co.

Juanita Fern Hart
Born in 1929 - January 17, 2023

Fern Hart, former Missoula Clerk and Recorder/Treasurer and County Commissioner, died on Tuesday, January 17, 2023 in St. Patrick Hospital. She was 94. Fern was born Juanita Fern Morgan in Amarillo, Texas. She went by her middle name throughout her personal and professional life, and it was certainly as Fern that she was known during her 54 years in Missoula. Fern's parents, Gertrude and W.T. "Shy" Morgan, had deep roots in West Texas, where Shy headed the Collingsworth County road department and drove the big Caterpillar maintainers to keep the Caprock roads clear. Later, he was the foreman of the Caterpillar repair shop in Amarillo, supervising the big equipment serving the roads of all the Panhandle.

Fern graduated from Amarillo High School in 1946. She attended McMurry College in Abilene, Texas, where she graduated in 1950 with a B. A. in Spanish and a B. A. in Women's Physical Education. Fern's plan to become a missionary in Latin America was sidetracked when she met her future husband Ray Hart through their mutual involvement in The Methodist Church. After a stint of working as Director of Christian Education in a Methodist Church in New Mexico, Fern moved to Dallas where Ray was pursuing a degree in theology at Southern Methodist University. Fern also attended SMU Graduate School, earning an M. A. in Philosophy with High Honors in 1953.

Fern and Ray married on September 8, 1951 at the 10th Street Methodist Church in Amarillo. Fern taught physical education and trained professional women tennis players while Ray earned a doctorate in philosophy of religion at Yale University in New Haven, Connecticut. Later, when Ray was teaching at Vanderbilt University in Nashville Tennessee, two events crystallized Fern's twin passions for progressive local government informed by inclusive and affirmative religion. She joined the League of Women Voters during the politically divisive 1960s to address the role of grassroots democracy, and she resigned from the local Methodist Church because it refused to integrate African Americans.

From the beginning of her five plus decades in Missoula, Fern devoted herself to local, city, and county government. The Hart family moved to Missoula in 1969, where Ray and his colleague Bob Funk founded the Department of Religious Studies at the University of Montana. Fern led the League of Women Voters efforts to ratify the Equal Rights Amendment, and worked for the successful passage of the new Montana Constitution. She co-chaired the League's work for the Missoula City-County consolidation effort as well as serving on the City-County Planning Board and on the County Bicentennial Commission.

Fern first ran for public office in 1978 as Clerk and Recorder/ Treasurer. She never lost an election during her entire political career and eventually served three terms in that position. Fern won respect across the political spectrum for her listening skills, accepting responsibility for problems, peripatetic management style, as well as referring to and treating her constituents as customers. She dragged the county's land registration and accounting systems kicking and screaming out of the 19th century and into the 20th.

After two years out of the political arena, Fern ran for Missoula County Commissioner and served for one 6-year term. As the swing vote on an all-female commission, she was instrumental in forging compromises on a new Missoula Urban Comprehensive Plan and related zoning and subdivision amendments that were remarkable as early approaches to sustainable growth in the Missoula Valley. Fern was most proud, however, of her unflagging efforts to preserve Missoula's historic downtown area, the results of which can be seen to this day.

Religion remained integral to Fern's daily life until the very end. She joined and financially supported the University Congregational Church in Missoula. As the church's Moderator, Fern lead a multiyear conversation about sexuality, gender, race, and inclusivity. Through her leadership, her church became the first in Montana to welcome and affirm all people irrespective of their identity.

Survivors include her husband Ray, her sons Morgan (Patti) and Bracken (Victoria), and her long-time caregiver Libby Baker, to whom the Hart family will be forever grateful. A gathering to celebrate Fern's life in the summer or fall is in the planning process. Memorials may be made to Montana Public Radio.

Marilyn McMillan
October 4, 1938 - April 2, 2023

Marilyn Moore McMillan, 84, died in the arms of her beloved husband Bobby at 3:42 a.m. on Sunday, April 2, at her home in Lubbock, Texas, after a 6 1/2-month battle with pancreatic cancer. She joined her beloved family who preceded her in death: mother Inez Moore, father Al Moore, sister Karolyn Joyer, and brother Buddy Moore.

Marilyn was born on October 4, 1938 in Crane, Texas, a town she always fondly remembered due to the "family" of oil field workers like her dad Al who looked out for each other, which may have influenced her lifelong passion for being attentive to others. She graduated from Abilene High School in 1957, and soon thereafter met Bobby McMillan, a McMurry University student from Big Spring, Texas, whom she married in 1961 at Abilene's St. Paul UMC where they met.

Her first child, Allison, was born in November 1962. Then Scott came along in December 1964, and Alicia followed in May 1967.

Bobby, Allison, Scott, Alicia and Dale Holligan survive Marilyn after her death. She also leaves behind four grandchildren: Taylor Holligan, Tanner Holligan and his wife, Bryanne, Conner Burkholder, and Brendan Burkholder. She also had four great-grandchildren: Aden Holligan, Clara Mae Holligan, Skylar Belanger and Bryce Belanger. And one sibling, John Albert Moore.
The "gene pool" was where Marilyn swam most happily. She loved, loved, loved her parents, brothers, sister, and nieces, and she remembered them with the same passionate detail she gave her immediate family.

Marilyn loved doting on her family, who could count on their favorite cake or pie being made for their birthday. She always remembered the birthdays of family members and friends. That attention to the little things is what made Marilyn who she was. She loved to decorate her house for the holidays.

"To infinity and beyond" describes Marilyn's passion for capturing “Kodak moments.” The family will have thousands of pictures to document those moments and add to numerous photo albums she had.

Marilyn loved Spring and all of the beautiful bright colors of the season. She brought that same level of brightness to her Ceramics and Chrismon beading group. She cherished the friends she made in these groups and loved them just like family.

Marilyn’s memorial service will be at 2 p.m. on Saturday, April 22, at St. John’s United Methodist Church at 1501 University Ave in Lubbock, Texas.

Memorials can be made to St. John’s United Methodist Church, CASA of Lubbock, Joe Arrington Chorus of Angels, Hospice of Lubbock, and South Plains Food Bank, in Marilyn McMillan’s name.

Everywhere they went, Dorothy shared her musical gifts, singing solos, playing the piano and organ, even serving occasionally as choir director. After her children were all in school, Dorothy returned to college, graduating from McMurry College in 1970. She then taught elementary school until her retirement. At one point during her career, she returned to school to earn Special Education credentials. She was a member of Delta Kappa Gamma.

Waldeen Dorris Pearson
March 2, 1926 - March 16, 2023

Waldeen Thomson Pearson died on Thursday, March 9, 2023, at the age of 97. Her family will host a gathering of family and friends from 6:00 p.m. until 7:00 p.m. on Thursday, March 16, 2023, at Lake Ridge Chapel and Memorial Designers. A service celebrating her life is scheduled at 2:00 p.m. on Friday, March 17, 2023, at Lake Ridge Chapel. Please visit www.memorialdesigners.net for a service broadcasting schedule, floral purchasing, and an area to share stories of Waldeen Pearson with her family.

Waldeen’s life was shaped by a simple but profound belief: People just need to know they are loved.

Waldeen made everyone feel like family. She was a quiet force of nature, blending no-nonsense pragmatism shaped by a childhood in the Great Depression with an unshakable faith that every life has value and can be nurtured through grace and love.

As anyone who knew Waldeen will tell you, she was never idle, believing she always had to have a purpose.

And as everyone whose life she touched will also tell you, there was purpose in everything she did.

Waldeen was born in Canutillo, Texas, near El Paso, March 2, 1926, the daughter of Kearby and Dottie Dorris. She was living in Canyon, Texas, as World War II was ending, going to college, and attending the Methodist Church. One day a newly returned Marine showed up at Sunday school. The attraction was immediate: He was the pastor’s son. He was entering the ministry. And he was single.

She was 20 when they married in 1946 and began a life of love, faith, and service.

Every time she and Carlton Thomson moved to a new church, her first order of business was obtaining a directory and learning the names of every member. Knowing who everyone was important to her, so she could meet their needs.

And she had to learn a lot of names. Waldeen and Carlton

served at least 18 West Texas churches, both before and after "retiring" in Lubbock. Their family grew as they moved, with Jane, Tom and then Susan making the parsonages feel like home.

When a church got Carlton as minister, it was a package deal. Waldeen believed she was called to be a pastor's wife and committed herself to that role at every stop. She had an impact on countless women's lives through her leadership in the United Methodist Women organization. She and Carlton also were instrumental in bringing the Walk to Emmaus to West Texas, a ministry that continues to this day.

Toward the end of Carlton's career, he and Waldeen served a church in Hermleigh. One member recalled how, when her father was dying, they were always there with a hug and a prayer. She talked of how much it meant to her dad that they would take the time to visit him, even though they hardly knew him.

Carlton died in 1995 after he and Waldeen had been married for nearly 48 years. Four years later, Waldeen received an unexpected phone call from Robert Pearson, whom she had met back in the '40s before he went off to war. That phone call led to Waldeen and Robert rekindling that long ago romance, and the couple married in 1999 and split their time between Canyon, Texas and Britton, South Dakota.

Waldeen embraced life with Robert. She took up hunting and ice fishing, and could even be spotted wearing camo, a sight that left Susan speechless. Robert's family, Lyle and Bryan and their families, took Waldeen in and loved her as their own and she them.

As time passed, her family grew. Waldeen had 12 grandchildren and 27 great-grandchildren. She loved spending time with her Lubbock family, as anyone who ate lunch on Fridays at Rosa's Café and Tortilla Factory would witness. She was surrounded by family and a plate of cheese enchiladas with sour cream sauce and a Dr Pepper – always a Dr Pepper.

To her grandchildren and great-grandchildren, she was Gummie, a loving nickname bestowed on her by her first grandchild, Beverly. (Waldeen didn't have the same love for the name, but she tolerated it for decades). Well into her 90s, she'd join the little ones on the floor for playtime, and she'd engage her great-grandchildren in conversation to learn the latest about their activities.

Waldeen showed her love for her grandchildren with the same sense of purpose with which she handled everything in her life. When her granddaughter, Jennifer, fell in love with a blue plaid dress with a white Peter Pan collar that was just too expensive, Gummie made an exact replica from memory. When her grandson, Thomas, needed some help in school, she moved to Kentucky for a bit.

Her generosity extended well beyond family, and well beyond Texas. At a celebration of her 90th birthday, one of the women in attendance was Mary Akpovi. Back when Mary was young, Waldeen and Carlton had made it possible for her to leave Nigeria and join her husband in Abilene, go to college and eventually settle in America when a coup back home made it impossible to return.

The crowd at that celebration seven years ago was a testament to the impact Waldeen had on her family and her community, and to the difference one person can make by showing and sharing love.

Waldeen is survived by her sister Ann (Max) Maxwell; son-in-law, Bob Martindale; children, Tom (Carol) Thomson and Susan (Dan) Nazworth; grandchildren, Cyndy (Derek) Strickland, Beverly (Mark) Horvit, Rob (Kylie) Martindale, Carlton (Amanda) Martindale, Leigh Martindale, Jennifer (Danny) Griffis, Craig (Kim) Thomson, Megan (Nathan) Prueitt, Cathryn (Jerod) Wright, Melody Nazworth (Will McClendon) and Thomas Nazworth; and great-grandchildren, SaraBeth Strickland, Elena and Nathan Horvit, Cody, Blake, Grace, C. J., Caden, Declan and Dominic Martindale, Wyatt, Sabrina, Colter, Monique, Zane, Laurel and Boone Griffis, Abi, Grady and Colby Thomson, Alice, Annabelle and Zachary Prueitt, and Elizabeth, Grant, Charlotte and Claire Wright; and other dearly loved nieces and nephews.

She is preceded in death by her parents; sisters Evangeline Brewer and Wanda VanValkenburg, brother Glenn Dorris; spouses, Carlton Hubert Thomson, and Robert Donald Pearson; daughter Jane Martindale; and granddaughter, Sarah Martindale.

Jody Wilson
October 25, 1939 - February 2, 2023

Graveside services for Jo Frances (JODY) Boudreaux Wilson will be held on Saturday, March 4, 2023 at 2:00 p.m. at Dawson County Cemetery with Billy Everrett officiating. Arrangements are under the care and direction of Branon Funeral Home. She passed away peacefully on March 2, 2023 in her home while on hospice in Plainview, Texas. Jody was born to Woodrow Wilson and Nita Jo Curry October 25, 1939 in Hillsboro, Texas. She had one brother, Buster. She married Marshall Boudreaux soon after graduating from Brownsville High School, and they traveled the United States evangelizing, with Jody primarily providing music. Son Damon was born after much prayer, about five years on the road. They took the pastorate of Christ Temple Church in Huntington, WV. They left there in 1970, evangelized for three

years and started life in Lamesa, Texas as a pastor family. Jody sewed, taught piano, and began working at Medical Arts Hospital in the Medical Records department where she also worked as in-house chaplain for twenty-four years, retiring in March 2000 as head of the department. During this time, she also founded and pastored Bethany Chapel for seventeen years as well as promoted blood drives, civic and ministry involvement in the community, and entertained with music and humor. In 1991, her son Damon died.

Jody moved from Lamesa May 27, 2000, marrying Ted Wilson, a Methodist pastor. They then lived in Big Spring for two weeks, then Petersburg, and Borger before he retired from local church pastorates to full time evangelism at Plainview. There they continued to do prison ministry, Walks to Emmaus, revivals, music and humor programs, retreats, etc. Jody performed music from the age of fourteen and was an anointed keyboardist on piano, organ, and accordion. The Boudreauxs cut three albums in Nashville and Jody recorded two piano CD's in 2005. Jody was gifted in so many ways, musically with voice and instruments, she was a powerful speaker and teacher, humorous quipster and storyteller, and a marvelous writer. She published two books: Tell Me a Story and One More Story after health issues essentially halted her other modes of ministry. When Jody entered a room, the Holy Spirit engulfed the room. She was a humble servant of God and loved people with the love of Christ. Heaven is even richer with her presence.

Jody is preceded in death by her parents, brother, and son. She is survived by her sister-in-law Jane Curry and nephew Darren Curry of Columbia, LA as well as some special cousins. When she married Ted she gained a new family and is survived by Ted, his son Keith & Christine Wilson of Richardson, TX, daughter, Kyla & Audra Wilson of Portland, OR, special daughter in the Lord, Stephanie Bolton of New Home, TX, and daughters in the Lord, Hilde Sanden Bjonness of Horten, Norway, Pam Shaw of Pampa, TX, and special friend, Sharon Youngblood of Lamesa. She is also Granna to Charis, Sophia, Selah, Faith, Katy, and Caleb of Richardson, TX. She will be greatly missed by the multitude of friends and people who have been brought to the throne through her ministry of Love.

Council on Finance and Administration
Northwest Texas Conference
of the United Methodist Church
Lubbock, Texas

We have audited the financial statements of Northwest Texas Conference of the United Methodist Church (the Conference) for the year ended December 31, 2022, and have issued our report thereon dated December 4, 2023. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated November 27, 2023. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Management is responsible for the selection and use of appropriate accounting policies. In accordance with the terms of our engagement letter, we will advise management about the appropriateness of accounting policies and their application. The significant accounting policies used by the Conference are described in the notes to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during the year ended December 31, 2022. We noted no transactions entered into by the Conference during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was the valuation of the post-retirement benefit obligation. Management's estimate of the post-retirement benefit obligation is based on actuarial information obtained from Towers Watson. We evaluated the key factors and assumptions used to develop the valuation in determining that it is reasonable in relation to the financial statements taken as a whole.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the financial statements are disclosed in Notes 5 and 6 of the notes to the financial statements related to the post-retirement benefit obligations; and Notes 11 and 12 of the notes to the finance statements related to the disaffiliation of members.

The disclosures in the financial statements are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. There were no such misstatements.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated December 4, 2023.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Conference's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Conference's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

This information is intended solely for the use of the Council on Finance and Administration and management of the Conference and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

Independent Auditor's Report

Council on Finance and Administration
Northwest Texas Conference
of The United Methodist Church
Lubbock, Texas

Opinion

We have audited the accompanying financial statements of Northwest Texas Conference of The United Methodist Church (a nonprofit organization), which comprise the statement of financial position as of December 31, 2022, and the related statement of activities, cash flows, and functional expenses for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Northwest Texas Conference of The United Methodist Church as of December 31, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Northwest Texas Conference of The United Methodist Church (the Conference) and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Conference's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Conference's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Conference's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited Northwest Texas Conference of The United Methodist Church's 2021 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated October 20, 2022. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2021, is consistent, in all material respects, with the audited financial statements from which it has been derived.

NORTHWEST TEXAS CONFERENCE OF THE UNITED METHODIST CHURCH

NOTES TO FINANCIAL STATEMENTS

1. Nature of Activities and Summary of Significant Accounting Policies

Nature of Activities

The purpose of the Northwest Texas Conference of The United Methodist Church (the Conference) is to inspire and empower creative ministries through innovative leadership to make new and deeply rooted disciples of Jesus Christ. The Conference fulfills that mission by providing leadership and resources to the local churches in the Conference, providing care and benefits for the clergy, and by funding ministries in and beyond the Conference through the extended connection of The United Methodist Church.

The financial statements have been prepared on the accrual basis of accounting which recognizes income when earned and expenses when incurred.

All assets of the Conference reported in these financial statements are held in trust by the Board of Trustees of the Conference, incorporated under the laws of the State of Texas.

Basis of Accounting

The financial statements are presented on the accrual basis. Revenues are recognized when earned, and expenses are recognized when the benefit is received.

Financial Statement Presentation

The Conference is required to classify net assets and revenues, expenses gains and losses based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified as follows:

Net assets with donor restrictions: Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Net assets without donor restrictions: Net assets not subject to donor-imposed restrictions. Net assets without donor restrictions are currently available for operating purposes under the direction of the board, designated by the board for specific use, or invested in property and equipment. Support that is restricted by the donor is reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the support is recognized. All other donor restricted support is reported as an increase in net assets with donor restrictions. When a restriction expires, restricted net assets are reclassified to net assets without donor restrictions.

NOTES TO FINANCIAL STATEMENTS

Functional Allocation of Expenses

The costs of providing programs and activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include depreciation and various conference expenses, which are based on utilization, as well as salaries and related expenses, supplies, telephone, postage and shipping, occupancy, repairs, printing, insurance, marketing, website expenses, and other expenses which are allocated on estimates of time and effort. Further information is contained in Note 10 to the financial statements

Concentration of Credit Risk

The Conference maintains its cash balances in institutions insured by the Federal Deposit Insurance Corporation (FDIC) up to $250,000. At times during the year, the balance in these accounts exceeded the insured limits.

The Conference also has investments with the Texas Methodist Foundation's Methodist Loan Fund and with Wespath Investment Management, a part of the Wespath Benefits and Investments, a general agency of The United Methodist Church. These investments are not insured by the FDIC.

Property and Equipment

Property and equipment are carried at cost or, if donated, at the approximate fair value at the date of donation. All land and buildings are capitalized. Equipment is capitalized if it has a cost of $100 or more and a useful life of more than one year when acquired. Expenditures for repairs and maintenance are charged to expense as incurred, and additions and improvements that significantly extend the lives of assets are capitalized at cost. All assets are depreciated on the straight-line basis. Equipment, computers, and furnishings are depreciated over lives of 3 to 5 years and the Conference building is depreciated over 40 years. Depreciation expense for the year ended December 31, 2022 was $42,076.

Postretirement Benefit Cost

The Conference has adopted the provision of Financial Accounting Standards Board Accounting Standards Codification Section 715, Retirement Benefits (FASB ASC 715). The Conference will report the service cost component of net benefits cost in the same line item under expenses. The other components of net benefit costs will be separately presented from the service cost component. Further information is contained in Notes 5 and 6 to the financial statements.

Collections

The Conference owns and maintains a collection of historic documents and artifacts housed in the Archives Center. The collections, which were acquired primarily through contributions since the Conference's inception, are not recognized as assets on the Statements of Financial Position. Proceeds from deaccessions or insurance recoveries, if any, will be reflected as increases in the appropriate net asset classes.

OF THE UNITED METHODIST CHURCH

NOTES TO FINANCIAL STATEMENTS

Shared Ministries and Accounts Receivable

The Conference records Shared Ministries and other church giving actually received on or before January 13, 2023, but intended as Support and Revenue for those years by the remitting church, as revenue and receivables as of December 31, 2022. Therefore, an allowance for uncollectible accounts is not required.

Revenue from Contracts with Customers

The Conference has adopted *Revenue from Contracts with Customers*, Topic 606 (ASU No. 2014-09). The Conference is supported by contributions from member churches of the Conference as well as through fees for services provided, primarily for clergy health and pension benefits.

The fees for clergy health and pension benefits are billed to the churches served by the clergy participants and there is an equivalency between the amount billed and the expense incurred to provide those benefits by the Conference.

Some of the contributions have donor restrictions in that the Conference serves as an intermediary between the church and the ultimate recipient of the contribution. For these contributions there is an equivalency between the receipt of the contribution and the payment, usually in the month following the receipt of the contribution, to the ultimate recipient or provider of the ministry involved.

Contributions without donor-imposed restrictions are used to fund ministries provided directly by the Conference and to cover administrative costs.

Cash Equivalents

For purposes of the Statements of Cash Flows and the Statements of Financial Position, the Conference considers all investments purchased with a maturity of three months or less to be cash equivalents.

Income Tax Status

The Conference is exempt from income tax under Section 501(c)(3) of the Internal Revenue Code and, therefore, has no provision for federal or state income or franchise taxes.

Comparative Totals

The financial information for the year ended December 31, 2021, is presented for comparative purposes only and is not meant to be a complete financial statement presentation.

Estimates

The Conference uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses.

Reclassification

Certain reclassifications have been made to the 2021 financial statement presentation to correspond to the current year's format. Total net assets and changes in net assets are unchanged due to these reclassifications.

	$	1,806,248

Total Property and Equipment	$	1,205,132

The Conference had an equity interest in the area episcopal residence located in Albuquerque, NM. The episcopal residence was acquired in January 2013 at a cost of $322,560. It was sold in March 2022 for $461,131. The cost and proceeds from the sale are shared between the Northwest Texas Conference and the New Mexico Annual Conference on a 60%/40% basis, respectively. The capitalized cost of the residence of $193,536 net of $43,949 in accumulated depreciation were removed from the Property and Equipment accounts and a gain of $127,091 recorded.

5. Post-Retirement Pension Benefits

The Conference is responsible for pensions for two classes of persons – clergy appointed to the Conference and lay employees. Pensions for clergy currently serving churches in the Conference are billed to and paid directly by their respective churches. For clergy assigned to the Conference and lay employees employed by the Conference, the Conference makes contributions to the pension plan maintained by the General Board of Pensions and Health Benefits of The United Methodist Church (GBPHB). The net cost for all current funding of pension plans in 2022 was $33,316 before taking into account the special pension distribution of $2,500,000 as further described in Note 11, Subsequent Events.

Prior to 1982, the Northwest Texas Conference participated in a defined benefit program for clergy appointed to local churches of the Conference. The financial liability for that service still exists for the Conference and will until the last clergy person with service prior to 1982 - including surviving spouses - dies. As of December 31, 2022, the Conference has no unfunded liability and, therefore, no annual contribution is required for this plan.

From 1982 through 2006, clergy were subject to the Ministerial Pension Plan (MPP), a defined contribution plan. When a participant retires with service under MPP, that clergy-person's pension is annuitized and, therefore, guaranteed for life. If the plan assets drop below the annuitized liability, the Conference would be responsible for its share of the unfunded liability. However, as of December 31, 2022, there was no unfunded MPP liability.

From 2007 to today, clergy are subject to the Clergy Retirement Security Plan (CRSP). The CRSP is composed of the following piece: a defined benefit portion where the benefits at retirement are equal to the denominational average compensation (DAC) at the time of retirement times a factor (1.25% for 2007 through 2013 and 1.00% from 2014 to today) times the years of ministerial service post 2006. Like the MPP plan (which is closed and, therefore, no new benefits are being earned), the Conference would be responsible for its share of the unfunded CRSP-DB liability if the Plan assets drop below the actuarial value of the Plan assets. As of December 31, 2022, there was no unfunded CRSP defined benefit liability. There is also a defined contribution component of the CRSP. Each clergy person serving at least half-time in an appointment receives 2.00% of their compensation (cash compensation plus the value of the parsonage or housing allowance) as a fully vested contribution to a 403(b) Plan account. In addition, if the clergy person makes a personal contribution to at least 1.00% of their compensation to a 403(b) Plan personal account, the salary paying unit makes an additional 1.00% contribution to a fully vested contribution to the 403(b) Plan.

As of December 31, 2022, the market value of these assets invested but, as yet, not contributed to the plan was approximately $14.5 million, which exceeded the unfunded liability of the pension plans.

Accumulated Post-Retirement Benefit Obligation (APBO)	$	(56,181,312)
Plan Assets Invested with Wepath		69,612,917
Investments with Wespath Outside of the Plan		14,542,113
Assets in Excess of Pension Plans - Invested with Wespath	$	27,973,718

BOLINGER, SEGARS, GILBERT & MOSS, L.L.P.
CERTIFIED PUBLIC ACCOUNTANTS

The assets in excess of the pension plan obligation were used to offset the health benefits obligation. See Note 6.

6. Post-Retirement Health Benefit Obligation

The Conference provides post-retirement health benefits for clergy and surviving spouses. The Conference provides Health Reimbursement Account (HRA) contributions for each eligible clergy participant (retiree, spouse, or dependent child). The Conference's annual contribution to the HRA is currently set at a maximum of $1,800 per clergy-person and/or surviving spouse but is dependent upon the years of denominational service of the clergy person. In 2022, the net expense to fund the health reimbursement accounts and for administration of those accounts was $190,855.

As of December 31, 2022, the Conference has an excess of plan assets over the accumulated post-retirement benefit obligation of approximately $25.2 million as follows:

Accumulated Post-Retirement Benefit Obligation (APBO)	$	(4,045,554)
Plan Assets Invested with Texas Methodist Foundation (TMF)		1,245,135
Assets in Excess of Pension Plans - Invested with Wespath		27,973,717
Plan Assets in Excess of APBO at December 31, 2020	$	25,173,298

The actuarial valuation date is December 31, 2022. Other key actuarial assumptions include:

Discount rate of 4.95%

Mortality: Active participants – Pri-2012 top Quartile Employee Mortality Table (headcount-weighted) with generational projection using Scale MP-2020. Retirees and Contingent Annuitants – Pri-2012 top Quartile Retiree Mortality Table (headcount-weighted), adjusted for 93% for males and 85% for females, with generational projection using Scale MP-2020.

Annual increase in HRA of 4.00% every four years beginning in 2024.

Per ASU 715, as described in Note 1, the Conference reported the service cost component of net benefit cost as of December 31, 2022 of $20,581. The remaining outside component of net benefits cost, Change in Funding, has been reported as a benefit of $2,025,842 on the Statement of Activities. Including Post-Retirement Pension Benefits, the Conference reported a net benefit of $30,622 due to Change in Funding Status.

Estimated future benefit payments are as follows:

2023	$	256,844
2024		264,228
2025		267,272
2026		272,695
2027		281,842

As further explained in Note 12, Subsequent Events, the Conference has established a Funding Reserve Trust for Clergy Benefit Plans. It is expected that future benefit payments will be made from this trust after a Conference unification/merger.

7. Net Assets without Donor Restrictions

Net assets without donor restrictions represent revenues and expenses related to the operations and management of the Conference's primary and supporting services. Depending on Board action, net assets without donor restrictions may be Board designated or undesignated.

9. Liquidity and Availability of Financial Assets

The following reflects the Conference's financial assets as of December 31, 2022, reduced by amounts not available for general use within one year of the balance sheet date because of contractual or donor-imposed restrictions or internal designations.

Cash and Cash Equivalents	$	4,042,867
Accounts Receivable		335,913
Prepaid Expenses		35,057
Fixed Assets (Net)		1,205,132
Other Assets		30,342,239

Accounts Receivable - Restricted		(8,887)
Prepaid Expenses		(35,057)
Net Investment in Fixed Assets		(1,205,132)
Board Designated Assets		(29,797,529)
Financial Assets Available to Meet Cash Needs for Expenditures Within One Year	$	3,617,168

The Conference is supported by contributions from member churches of the Conference as well as through fees for services provided, primarily for clergy health and pension benefits.

The fees for clergy health and pension benefits are billed to the churches served by the clergy participants which is approximately $700,000 less than the expense incurred to provide those benefits by the Conference.

Some of the contributions have donor restrictions in that the Conference serves as an intermediary between the church and the ultimate recipient of the contribution. For these contributions there is an equivalency between the receipt of the contribution and the payment, usually in the month following the receipt of the contribution, to the ultimate recipient or provider of the ministry involved.

Contributions without donor-imposed restrictions are used to fund ministries provided directly by the Conference and to cover administrative costs.

The Conference structures its financial assets such that it maintains a minimum cash reserve of $500,000 plus one-year advance funding (approximately $800,000) for the Conference-provided ministries. As part of the Conference's liquidity management, it has a policy to invest excess cash in overnight repurchase agreements, as well as, short-term investment funds at Texas Methodist Foundation and Wespath Benefits and Investments.

11. Disaffiliation

The United Methodist Church has been wrestling with issues related to human sexuality for at least 40 years. The debate over the church's doctrine on LGBTQ matters has become increasingly contentious resulting in some churches wishing to disaffiliate from The United Methodist Church. Various plans for the separation of The United Methodist Church into two or more entities were to be considered at the denomination's General Conference in 2020. However, because of the world-wide COVID-19 Pandemic, the 2020 General Conference has been postponed until 2024.

Because of the delays in reaching a potential resolution of these issues, various advocacy groups have been formed to provide voice as well as organization for United Methodist Churches wishing to align with like-minded congregations outside of the denomination. One of the largest advocacy groups is the Wesleyan Covenant Association. That group has been working to form a more evangelically conservative expression of Methodism. In May 2022, the Global Methodist Church was formed in accordance with that vision.

BOLINGER, SEGARS, GILBERT & MOSS, L.L.P.
CERTIFIED PUBLIC ACCOUNTANTS

In early 2022, the Judicial Council of The United Methodist Church ruled that a church could disaffiliate from The United Methodist Church under Paragraph 2553 of the Book of Discipline – 2016 (as amended in 2019) – BOD – and the trust clause, which holds that church property is held in trust for the entire denomination and not owned by the individual church, would be suspended. In order to disaffiliate under Paragraph 2553, a church was required to pay its share of the denomination's unfunded pension liability as well as 100% of its current year apportionments as well as 100% of the apportionments for the year subsequent to disaffiliation.

In June 2022, the annual conference approved a process and a financial framework that will govern the disaffiliation process in 2022 and 2023.

Under this process and framework, a church considering disaffiliation must follow the rules included in Paragraph 2553 of the BOD and two-thirds of the members present at a called church conference must vote to disaffiliate. As noted above, the church is required to pay all of its current year and subsequent year apportionments (Shared Ministries), as well as, its share of the unfunded pension withdrawal liability.

The annual conference has agreed to use its reserves (Net Assets without Donor Restrictions) to cover the unfunded pension withdrawal liability as well as the 2023 and Shared Ministries (apportionments) for all churches in the Conference, including those which disaffiliated. In addition, the Conference used $4 million in reserves to rebate accumulated Shared Ministries (apportionments). This distribution was made in December 2022.

As a result of these developments, 154 churches in the Conference chose to disaffiliate from The United Methodist Church as of December 31, 2022. Many moved to the Global Methodist Church, while others chose to be independent churches.

As further explained in Note 12, Subsequent Events, the Conference plans to use an additional $10 million of its reserves to fund the Clergy Benefits Trust and make a one-time pension distribution.

12. Subsequent Events

Pension Distribution

At the December 3, 2022 Called Annual Conference, the Conference approved a one-time contribution to clergy pension accounts of $2,500,000. The distribution was allocated to individuals' pension accounts based upon years-of-service in the Northwest Texas Conference. The distribution was made in March 2023 but is included in Accrued Liabilities as of December 31, 2022.

Clergy Benefits Trust

At the December 3, 2022 Called Annual Conference, the Conference approved the establishment of the Funding Reserve Trust for Clergy Benefit Plans (Trust). This trust will fund the medical HRA for retirees (see Note 6), future unfunded pension liabilities, and possible cost-of-living adjustments for the Pre-82 pension plan. The beneficiaries of the trust are the NWTX medical HRA and the pension plans of the United Methodist Church. As a result, an eligible recipient is a clergy member of the NWTX Conference who participates in the pension plan as of December 31, 2022, regardless of whether that

individual retires of surrenders their credentials later, and any retired clergy who retired from the NWTX Conference. In January 2023, the Trust was funded in the amount of $7,500,000.

Unification

In the past three decades, it has been the pattern across The United Methodist Church in the United States to combine annual conferences into Episcopal Areas where one or more conferences are served by the same Bishop. In some cases, two or more annual conferences have been merged/united into one new conference. Such changes must be approved by a Jurisdictional Conference.

It is anticipated that the South-Central Jurisdiction Conference, which includes the Northwest Texas Annual Conference, will meet in 2024 to combine some conferences into an Episcopal Area and merge other annual conferences into a new conference. While no combination or merger is effective until approved by the Jurisdictional Conference, it is expected that the Northwest Texas Conference will be united with two other conferences to form a new annual conference in September 2024. The merger is expected to be fully completed by December 31, 2024.

The Conference leadership is currently working on the plans for this merger. If the unification is approved by the South-Central Jurisdictional Conference, then, according to United Methodist polity, a Joint Distributing Committee composed of members from each of the uniting conferences and chaired by the General Secretary of the General Board of Pension and Health Benefits of The United Methodist Church (or designee) will meet in 2024 to oversee the contribution of assets to the new entity.

October 23, 2023 Daily Journal

Bishop James G. Nunn convened the Special Conference via electronic platform at 6:30 p.m. After prayer and an explanation of the purpose of the Special Conference, Bishop Nunn recognized the Rev. Jeff Fisher, Conference Secretary, who brought enabling motions for the Conference.

Rev. Fisher called the Roll of Conference as lay members elected for the June 2023 Annual Conference and all clergy that logged into the Zoom link provided by the Annual Conference. The list of attendees can be found on the previous page.

Rev. Fisher then made the motion that the Bar of the Conference be set as the Official Zoom Session as the Special Annual Conference and instructed that only elected members of the Conference were eligible to vote. Rev. Fisher further moved that voting be done by electronic polling within the Zoom Session as directed by the Chair. Prior to the vote on enabling motions, a practice vote was taken at the direction of the Chair. Finally, Rev. Fisher moved that the Official Agenda of the Conference be set as the Official Call issued by Bishop James G. Nunn for the October 23, 2023, Special Annual Conference and to include all materials previously emailed to voting members and made available on the Northwest Texas Conference website as amended or supplemented.

Bishop Nunn called for a vote on the enabling motions. The motion passed as follows:

Yes - 72 No - 0 Abstain - 1

Rev. Fisher then presented the resolution for churches recommended for disaffiliation for Covenant Fellowship in Amarillo, St. Matthew UMC in Amarillo, FUMC Brownfield, FUMC Dumas, and Northridge UMC in Lamesa. Each church has completed the disaffiliation requirements and signed a Disaffiliation Agreement, which will be executed, notarized, and returned to the church upon approval of this resolution.

Bishop Nunn called for a vote to approve these five churches for disaffiliation. The motion passed as follows:

Yes - 72 No - 2 Abstain - 2

Bishop Nunn recognized Rev. Don Boren, who presented a resolution from the Lubbock Methodist Hospital System (LMHS). The LMHS board has allowed Methodists to maintain a voice at the table for health care in Lubbock and the surrounding area. Revisions were presented for the board's bylaws to comply with the requirements of Section 3 of their bylaws since there are fewer UMC churches post-disaffiliation.

Bishop Nunn called for a vote to approve these changes to the LMHS bylaws. The motion passed as follows:

Yes - 58 No - 11 Abstain - 6

This concluded the special called session of Annual Conference. Bishop Nunn updated the dates for the next Annual Conference to be May 19-20, 2024, in Lubbock, Texas, at FUMC Lubbock.

LUBBOCK METHODIST HOSPITAL SYSTEM (LMHS)
NWTX CONFERENCE RELATIONSHIP INFORMATION

Don Boren, NWTX Conference Director of Connectional Ministry and Board Member

Covenant Hospital in Lubbock was formed out of the 1998 merger of Methodist Hospital and St. Mary's Hospital. The Lubbock Methodist Hospital System (LMHS) was also formed at that time. The LMHS was developed to maintain the Methodist connection to the hospital. There was also an amount of money left over from the sale of the hospital that has been set up to provide funding primarily to benefit hospital projects for the betterment of the hospital and community.

The main responsibilities of the board of LMHS are to:

- Oversee the funds created from the merger maintained
- Seat half of the Covenant Hospital Board of Directors
- Maintain a Methodist connection with the hospital
- Promote endeavors beneficial to the hospital and community

The LMHS board has allowed Methodists to maintain a voice at the table for health care in Lubbock and the surrounding area.

I have served on the LMHS Board for the last seven years as the Lubbock District Superintendent. Bishop Nunn served during his tenure as Lubbock District Superintendent as have several others including Richard Edwards, Earl Blair, and Ken Metzger.

In order to maintain a Board that will best help the hospital and continue our Methodist connection, we feel it would be important to consider the revisions to the bylaws as stated in the supporting documents.

Thank you for your consideration,

Don Boren

RE: CONSIDERATION OF THE SIXTH AMENDED AND RESTATED BYLAWS DRAFT OF THE LUBBOCK METHODIST HOSPITAL SYSTEM

Dear Bishop Nunn and Members of the Northwest Texas Conference,

On behalf of the Lubbock Methodist Hospital System Board of Directors (the "Board"), we submit the attached proposed Bylaws for consideration. The background for these changes stem from the recent transition of membership within the Northwest Texas Conference and the United Methodist Church (the "Conference"). With fewer UMC churches remaining in our area, (1) our Board membership is now out of compliance with the requirements in Section 3 of our Bylaws and (2) the increased limitations on recruiting Methodist members to our Board due to the decreased number of UMC churches in our area.

For reference, the language the Board wishes to revise found in Article III, Section 3 reads as follows:

> *At all times, at least three-fifths of the Directors shall be members of the United Methodist Church.*

We understand this mirrors the language in *The Book of Discipline*, Section 2552. Therefore, we submit the following:

1. Attached proposed Bylaws change to amend the three-fifths requirement found in Article III, Section 3.

2. A request for consideration/input from the Conference: If the Conference does not approve our proposed Bylaws change, to please consider *providing feedback* so that we may revise our proposed Bylaws request appropriately to be attractive to the Conference for change. Our wish is that if you don't agree with our proposed amendment, please do not just decline it- please provide us meaningful feedback/direction on how to amend our Bylaws or allow for leeway in our membership selection to reflect the status of the UMC in our area.

Therefore, in consideration of the above, we would request the following change in language to Section 3 of our Bylaws, as shown in the attached proposed Sixth Amended and Restate Bylaws:

DocuSign Envelope ID: B14E006E-D7B0-478E-9C5A-9964BCF32D33

> *At all times, not less than a majority of the Directors shall be professing members of a local Methodist Church, with the majority of these members belonging to the United Methodist Church. If and when the Directors learn the Board does not comply with the majority requirement, the Board shall have a grace period of at least twelve (12) months or to a time by which the Board of Directors is able to meet compliance to resolve the non-compliance.*

Further, we would request the following change to Article III, Section 3, paragraph six to read as follows:

> *In addition to all the foregoing, two representatives from the Northwest Texas Conference of the United Methodist Church shall serve as ex-officio voting members of the Board of Directors by virtue of their positions. Because they are voting members they will be considered a Board member for purposes of the maximum number of the Board of Directors.*

This edit removes the specific positions of District Superintendent and the Deploy Team Appointee, as those two positions no longer exist, and replaces the specific positions with the generic "two representatives" to allow for flexibility in the Conference to appoint appropriate individuals to serve.

It is our true desire to reflect the love and understanding found within the UMC faith, and we believe this is best exemplified by (1) being able to continue with our current Board membership, regardless of whether a member's church disaffiliated from the UMC and (2) by continuing to seek the best individuals within our community for service to the UMC and to LMHS by opening up the Methodist membership requirement in our bylaws to individuals who are professing members of a Methodist Church of any affiliation.

In addition to the above, the Board knows that future consideration will also need to be made to the references to the Conference, as changes to the name and/or conference may change over the next year or two due to restructuring. We will wait to broach such changes until we know more information.

The UMC is facing an unprecedented time of change and evolution. We humbly look to your guidance and insight into what options LMHS may have available to us within *The Book of Discipline* language, our Northwest Conference, and our community.

Thank you for your help and consideration,

Section 6. Meetings of Directors. The Directors may hold meetings, maintain an office, and keep the Corporation's books and records at such place or places within or without the State of Texas as the Board of Directors may from time to time determine; provided, however, that in the absence of any such determination, such place shall be the Corporation's principal office in the State of Texas.

The Chair Person of the Board or the President shall have the authority to designate some other date, other than the second Wednesday, for the quarterly meetings, provided the notice provisions of Section 10 are followed.

Section 9. Special Meetings. Special meetings of the Board of Directors ("Special Meetings") shall be held at such times and places as shall be designated from time to time by (a) Chairperson of the Board, (b) a Vice-Chairperson of the Board, (c) the President, or (d) by the Secretary, if the Secretary is requested to do so in writing by any two Directors.

Section 11. Quorum. A majority of the then-acting Directors shall constitute a quorum for the consideration of any matters pertaining to the Corporation's purposes. If at any meeting of the Board of Directors there is less than a quorum present, a majority of those present may adjourn the meeting from time to time. A Director shall be entitled to reimbursement for reasonable expenses incurred by him or her in carrying out his or her duties as a Director.

Section 15. Liability of Directors. A Director must discharge the duties of a Director, or as a member of a committee of the Corporation, in good faith, with ordinary care and in a manner the Director believes is in the best interest of the Corporation. A Director is not relying in good faith if the Director has knowledge concerning the matter in question that makes reliance unwarranted.

The Board of Directors may designate one or more Directors as alternate members of any committee, who may replace any absent or disqualified member at any meeting of such committee. ARTICLE VII
INDEMNIFICATION

Section 1. Right to Indemnification. Subject to any limitations and conditions in these Bylaws, including, without limitation, this Article VII, each person who was or is made a party to or is threatened to be made a party to, or is involved in any threatening, pending, or completed action, suit or proceeding, whether civil, criminal, administrative, arbitrative, or investigative (a "Proceeding"), or any appeal of such a Proceeding or any inquiry or investigation that could lead to a Proceeding, by reason of the fact that he or a person of whom he is the legal representative, is or was a Director or officer of the Corporation, or while a Director or officer of the Corporation is or was serving at the request of the Corporation as a director, officer, partner, venturer, proprietor, trustee, employee, agent, or similar functionary of another foreign or domestic corporation, partnership, joint venture, sole proprietorship, trust, employee benefit plan, or other enterprise, shall be indemnified by the Corporation to the fullest extent authorized by the Code, as the same exists or may hereafter be amended (but, in the case of any such amendment, only to the extent that such amendment permits the Corporation to provide broader indemnification rights than said law permitted the Corporation to provide prior to such amendment) against judgments, penalties

(including excise and similar taxes), fines, settlements, and reasonable expenses (including, without limitation, attorneys' fees) actually incurred by such person in connection with a proceeding, but if the Proceeding was brought by or in behalf of the Corporation, the indemnification is limited to reasonable expenses actually incurred or suffered by such person in connection therewith, and indemnification under these Bylaws shall continue as to a person who has ceased to serve in the capacity which initially entitled such person to indemnity hereunder. In no case, however, shall the Corporation indemnify any person, or the legal representatives of any person, with respect to any matters as to which such person shall be finally adjudged in any such Proceeding to be liable on the basis that personal benefit resulted from an action taken in such person's official capacity, or in which such person is found liable to the Corporation. Any person entitled to indemnification pursuant to this Article VII is sometimes referred to herein as an "Indemnified Person."

Section 2. Advance Payment. An Indemnified Person's right to indemnification conferred in this Article VII shall include the right to be paid or reimbursed by the Corporation the reasonable expenses incurred by an Indemnified Person who was, is, or is threatened to be, made a named defendant or respondent in a Proceeding in advance of the final disposition of the Proceeding; provided, however, that the payment of such expenses incurred by an Indemnified Person in advance of the final disposition of a Proceeding shall be made only upon delivery to the Corporation of a written affirmation by such Indemnified Person of his good faith belief that he has met the standard of conduct necessary for indemnification under this Article VII and a written undertaking by or on behalf of such Indemnified Person to repay all amounts so advanced if it shall ultimately be determined that such Indemnified Person is not entitled to be indemnified under this Article VII or otherwise.

Section 3. Appearance as a Witness. Notwithstanding any other provision of this Article VII, the Corporation may pay or reimburse expenses incurred by an Indemnified Person in connection with his appearance as a witness or other participation in a Proceeding at a time when he is not a named defendant or respondent in the Proceeding.

Section 4. Non-Exclusivity of Rights. The right to indemnification and the advancement and payment of expenses conferred in this Article VII shall not be exclusively of any other right which an Indemnified Person may have or hereafter acquire under any law (common or statutory), the Articles of Incorporation, the Bylaws, agreement, vote of disinterested Directors, or otherwise.

Section 5. Insurance. The Corporation may purchase and maintain insurance, at its expense, to protect itself or any Indemnified Person, whether or not the Corporation would have the power to indemnify such person against such expense, liability, or loss under this Article VII.

Section 6. Savings Clause. If this Article VII or any portion hereof shall be invalidated on any ground by any court of competent jurisdiction, then the Corporation shall nevertheless indemnify and hold harmless each Indemnified Person as to costs, charges, and expenses (including attorneys' fees), judgments, fines, and amounts

paid in settlement with respect to any action, suit, or proceeding, whether civil, criminal, administrative, or investigative to the full extent permitted by any applicable portion of this Article VII that shall not have been invalidated and to the fullest extent permitted by applicable law.

Section 7. Survival of Rights. The provisions of this Article VII shall inure to the benefit of each Indemnified Person and shall survive as a contractual right of each Indemnified Person, notwithstanding subsequent amendment of these Fifth Amended and Restated Bylaws.

ARTICLE VIII
AMENDMENTS

These Bylaws may be altered, amended, or repealed by the affirmative vote of a majority of the Board of Directors at any meeting if notice of the proposed amendment is contained in the notice of such meeting; provided that amendments affecting the right of the Conference, including, without limitation, amendments affecting the nomination and election of members of the Board of Directors and amendments affecting dissolution of the Corporation, must be submitted to the Conference and the Conference shall be the only authority authorized to change the manner in which the members of the Board of Directors are nominated and elected and to change the dissolution provisions of the Bylaws.
